MACLE - Bridgite Ender - Kevin Rudd,

Yesterday, ICC-prosecutors & registers have proven to be guilty of torture and a murderatempt on my body.

Today I make a video that outlines the following:

ICC has no legal ground to exist anymore
ICC has proven - as an illegal terror - to torture and murder Europeans who start lawcases against EU-leaders.
The results in the fact that all investigations, started by ICC + all trials that run + all arrestwarrants have become a criminal act on behalf of ICC.

All suspects can now demand that ICC stops the investigation on their file + all prisoners can demand to be set free from prison and are entitled to a payment for the damage, for every night they stayed in ICC-prison from 1 may2007.

All persons arrested in name of ICC can claim their release and payment for the damage.

All countries ICC now risk lawcases against, can demand a payment for the damage.

ICC had no authority anymore, now they have proven to be partial to EU-leaders, Russian-leaders, USA-leaders... and...

MelindaTaylor is not an official warcrimnal too.

All lawyers working with ICC now have the legal obligation - based on the torture treaty - to demand the President of ICC that all prosecution & registers are fired and replaced by new prosecution & registers, who no recognise their legal obligation anchored in Human right-treaties... and who also investigate on the EU-courtsystems.

When lawyers continue to work with ICC-prosecutor FabouBeneouda & co, they prove to be corrupt & partial, they participate in torture & murder committed by FabouBeneouda.

Reader of the ICC-lawcase against NL,

I received legally valid evidence that ICC wants an economical crisis, civil war in Europe & worldwide.

The email proves that ICC-prosecutors try to murder me.

Today I received an email that proves that ICC-prosecutor FabouBeneouda & other ICC-employees try to murder me.

The letter I received by email is published on:

<http://www.dereestokkel.nl>
<http://www.dereestokkel.nl/ICC-prosecutor%20FabouBeneouda%20wants%20murder%20me%20-%20>

I don't recognize this email, because every criminal can send me this type of emails.
I only accept an ICC-letter signed & arrived by mail.

Then I shall lodge a complaint with the president of the court, after receipt of that letter.

The content of the letter is a mix of strange sentences that have nothing to do with legal fact of the lawcase, humanright treaties... proceedings...

The content is highly worthless.
And is clearly written by retarded persons, who have no knowledge about courtsystems at all.

ICC refers to earlier correspondence they have send to me.
Well, they only want me 1 letter.

In that letter ICC agrees with me starting an lawcase against NL.

Thus: now I publish Youtube-videos ICC tries to murder me...and want an economical crisis & war in Europe, ICC want Worldwar3.

ICC is now officially guilty of a murderatempt on my body.
They also prove that they want genocide in NL.

They want EU-leaders to star along the line.
They miss to do with Humanright-treaties.

And they think they can get away with it, by threatening to kill me.

I will continue to try to make ICC work like a fair courtsystem
I will continue to make videos about the warcrimes committed by ICC-employees.
