#### **Embassador for Portugal Mrs Rosa Maria Bartoreu,**

I hereby demand that you prove to the Dutch people – and Planet Earth – that you personally are not a terrorist.

I demand that you – in your role as Embassador for Portugal in The Hague – publicly disconnect yourself from UNSG Antonio Guterres, the war criminals working inside the International Criminal Court and the new Ultra Right Parliament in NL, under new Dictator Edith Schippers.

In accordance with the UN-charter – Torture treaty – Human right treaties – Constitution Netherlands, you are legally obliged to answer this letter legally correct.

UNSG Antonio Guterres has proven last week that his is a terrorist – dictator – mass murderer, who misuses my legal position and the national security of the Dutch People for his private killings.

1. He refuses to implement & conduct the United Nations Charter and all UN-treaties in connection with my file of the ICC-lawcase against NL and my claim for the labour contract Interim Prime Minister for Holland.
2. He supports the Ultra Right Parliament in NL, under Dictator Edith Schippers / Mark Rutte / Geert Wilders.
3. He supports the design – murder conducted by the International Criminal Court personnel on victims or other human beings who must be demolished.
4. UNSG Antonio Guterres presents himself in the media in a 100% criminal way, knowing

that his behavior activates more terrorism-crime on Earth.

5. **Conclusion:** UNSG AntonioGuterres is a terrorist, who misuses UN-member the Netherlands as a headquarter and safe haven for the refinement – distribution of more terrorism on Earth. At the cost of my private life and the lives of the Dutch’.

After all the new laws for Republic Netherlands – a source of inspiration for more succesfull trade between Holland and other nations – I am furious with you.

Portugal misuses my trust – social intelligence – for the second time around, only to keep ICC a murderweapon in hands of Portugal and criminal friends.

I demand that you – Mrs Rosa Maria Batoreu – send me a letter by return mail in which you prove to the Dutch People to implement & conduct the UN Charter – Torture treaty – Hmanright treaties – Constitution Republic NL.

And, that you will do everything possible to stop the new Ultra Right Parliament Netherlands under Dictator Edith Schippers.

I also want you to prove that you will do everything possible to build a solid trade World in Sound Governance, starting with the Tourism-industry and expanding into the Fairtrade-industry.

I want you to promise that you will do anything possible to have UNSG AntonioGuterres being replaced with a much Younger Portugese person in the labourcontract UNSG; this person wants Justice – Peace – Fairtrade... and is prepared to clean up NL - ICC- ICJ – UN – EU.

When you refuse to send me this letter, I will make clear to terrorists that you are a terrorist too.

**I sincerely hope, you shall prove to the European People that you do not want a war in the EU, or worldwide.**

I am prepared to forgive you your 4months lasting mistake – blunder –, deeplinked to me, because I present you a whole New State of Law Holland, with a lighter bureaucracy. You are not a native speaker Dutch; we all make terrible mistakes when we don't speak a language.
