Law NL – BREXIT – CETA written by InterimPrimeMinister Desireestokkel

ICC Prosecutor Fatou Bensouda, ICC President Silvia Fernández de Gurmendi, UN Secretary Antonio Guterres, Dictator Mark Rutte, Embassadors,

UNSG Guterres, Theresa May, Justin Trudeau, Donald Tusk,

UNSG Guterres and Embassador Rosa Maria, you prove to be terrorists who are indifferent towards national security in Holland – Europe – World. The way you operate based upon my ICC-lawcase against NL, proves this. You ignore all your legal obligations in the Netherlands. You support a 100% criminal NL-parliament. You assist ICC with organizing torture and murder on Dutch civilians – and other civilians internationally – under observation by criminals & terrorists.

'An UNSG has the legal obligation to ensure a Regime-change without violence', but you fail this duty in NL-ICC-EU-UN. Despite this legal fact, I – the Dutch national with the legally valid evidence – am obliged to continue to address you for 'a Regime-change without violence in NL and EU'. So I will.

On the CD you read a new law for Republic NL:

Wet Werkvolgorde NL, BREXIT, CETA – WENBREXCE2017- for a smoothrowing BREXIT and new Trade-world from Republic NL. Despite het murdergames designed & conducted by ICC-personnel.

Now Kingdom the Netherlands is a formal dictatorship since 2june2014, BREXIT – CETA – more treaties can not be build in the Kingdom NL.

Would the people ignore this legal fact, this would result in an uncountable pile of lawcases, started by evil persons... only for their private needs for misconduct & wealth.

BREXIT – CETA -more treaties in Kingdom NL cause many Small businesses to go bankrupt

and Multinationals to lose billions of euro's on lobby & lawcases.

All **nations** involved can go bankrupt due to ICC-corruption in coöperation with EU – UN. BREXIT – CETA – more treaties must be anchored in Republic NL to keep the Administration as cheap and easygoing as possible... In the Best Fairtrade practise....

Canada JustinTrudeau,

Operate like a PrimeMinister; you are no longer a fashionmodel. The Ambassador for Canada in Thehague tortures – murders Dutch civilians, what will bring Canada hell under CETA.

National security comes with legal responsibilities. Misusing ICC by the Elite, as a cover for corruption – torture – murder organized and conducted together with the Kingdom NL & ICC, is not one of them. Stop being immature and realize national security for Canada.

GROW UP! The Hague securitydelta-ICC-EU-lobby has turned against Canada.

Do you really think that Simple people in NL accept that they are being made bankrupt for the Elite-murderclub CETA-game?

CETA will bring EU in a new type of crisis; so we remove CETA and replace it with a simplified TAX-system for 'TAX on good & services, plus Custom-tax'. All TAX to be payed by the buyer, is calculated in the Salesprice; no extra Custom-administration at bordercontrole.

You have received the Constitution Republic NL and new Republic NL laws by email.

Trade can only be succesfull and affordable when ICC is no longer a murder weapon in the hands of a few Elite and hidden Lobbyists. Hackers have already out-smarted these Elite.

(A hackers is after my Internetprovider-login-code and misuses my supermarket-card for doing so... [What do you assume CETA is...!?](#))

ICC is a pathetic theaterplay in hands of warcriminals; hackers will increase hell in the lobby. Simple People now learn – thanks to me – to pass hel in NL- EU – UN - ICC, but this lifestyle is very expensive and painfull; many people will be killed in terrorism and warzone by ICC-personnel.

JustinTrudeau, stop being a member of the NL- ICC-Elitemurderclub; build Fairtrade for Holland -Canada trade without creating terrorism-war first. Replace the Ambassador for Canada in Thehague with a new person who respects the ConstitutionRepublicNL and me.

BREXIT TheresaMay,

I have already explained it in emails. BREXIT starts with the disconnection of the EU-investmentfund from the EU Law- & Treatydatabank. By disconnecting these 2 platforms from eachother, you minimalize that ICC-lobby. Criminal ICC-personnel and the Royal-family in NL, can no longer influence 'business-deals during FAKE-securityconferences...and so...'.

I personally think you are rather girlish, TMay, in BREXIT-communications.

ICC is not closed yet; ICC is not formally turned into a fair court of Law by me... yet.

There is a civilwar going on between Simple People – NL – ICC – EU – UN – Elite and you close your eyes for it. Don't!

Even when BREXIT is a legal fact, ICC-lobby can bring your BREXIT-economy down.

You will not understand 'what has happened to you'.

When does this ICC- BREXIT hell stop? When Holland is no longer a dictatorship, no longer a Kingdom. When you build BREXIT in Republic NL, the ICC-personnel can no longer design and murder on their own initiative. Or they can, but they will lose the momentum for the expansion of hell.

Evil ICC-personnel will be passed thanks to the Arbitration-court-system in Holland.

EU DonaldTusk,

The EU has always misused ICC as a murderweapon in hands of EU-politicians.

The EU-persons I emailed over the past 9 years – and who have me forced to have myself tortured by corrupt ICC prosecutors & ICC judges, on command of the NL-parliament, the NL-monarchy and EU-politicians, are personally responsible for the MH17 flightcrash above Ukraine.

Due to the never-ending lies coming from NL-ICC-EU lobby, the individual Simple civilian in EU can no longer defend him- or herself against corruption – crimes against humanity – warcrimes carefully created & exercised by NL – EU – ICC politicians in the lobby.

Thanks to BREXIT – and Myself, this era is over.

I started an ICC-lawcase against King Willem-Alexander on 2june2014, what proves that Holland is a 100% dictatorship.

I have put into power by decree the Constitution Republic NL, via UNSG, on 18november2016.

I put into power by decree new Republic laws, for Justice & Fairtrade in EU-UN.

Despite your misconduct and that of all other EU-politicians.

From 1january2018 on the EU is for the Dutch nationals nothing more than an EU Law – & Treaty databank, where all national laws from other nations are being synchronized.

The EU will no longer be a Dictator–Toy -Investmentfund for the realisation of bankruptcy – crimes against humanity – war.

I know... perhaps the dictators in NL continue to give money to EU for investments in 2018 too... under blackmail by Foreigners.

Don't be mistaken: In the lobby, the Simple People begin to comprehend that they can better work with the Constitution Republic NL for the growth of their business, whether NL- EU – UN like it or not. Per 18nov2016, I am the legally correct working InterimPrimeMinister for Holland... and I will get my labourcontract in paper... And I will call for Elections in Holland for the Elected PrimeMinister for Republic NL. Than Holland can not be blackmailed so much anymore.

When the dictators assume 'they are still funny... in their demolition-mode', they will cause more terrorism in EU and on Earth.

I know... you support criminal ICC-personnel... **Do you!?**

Because dictators JanPeterBalkenende – Franstimmermans – Markrutte – Edithschippers – say so?

They will be imprisoned for the MH17-flightcrash above Ukraine; the MH17 ICC-lawcase is being falsified at the moment by NL – Ukraine – EU – UN. The blame is put on Russia, to keep the ICC-EU-Elite-murderclub alive.

I am in charge of the MH17-truth, whether you like it or not, now the MH17-passengers are being killed for the fun of the Elite-murderclub inside NL- ICC – EU. Even when I am being murdered today. The legal facts can not be removed from Embassies – Earth anymore.

Do you realize that the NL- Russian sanctions are over in Holland, for every single business person who wants to restart trade with Russia?

These are only a few example. For the sake of national security in EU – and for the success of trade, you'd better disconnect from the NL- ICC – EU – UN murderclub.

Simple People are in charge within 2 to 3 years.

DonaldTusk, you have the legal obligation to realize a Regime-change without violence in

Holland. I expect you to conduct your legal duties.
