ElonMusk, UN, FIOD, FBI,

Elon,

You never asked me to make statements on Stock-exchange matters.

Although you and I are officially linked in the ICC-lobby - via the UNSG office - the people can't recognize this proces.

The people don't understand that I only want to work for SpaceX, if SpaceX stays in Private hands = Private shareholders. .

I don't want my unique Space-Lovers-talent to become 'merchandise for hostile take-overs'.

You need to explain the people about You & Me, officially.

Its not good when they do Google this new Lifestyle of yours, without you informing them.

I can't and won't comment on Stock-exchange matters; I only work for Personal safety & National security.

Besides, I am the Interim Prime Minister at the

Ministry of Common affairs in State of Law Netherlands.

Plus, when I arrive with my suitcase at the Whitehouse... and I kick the Trump-clan out... I am in charge of the Whitehouse too...
