On my site you read the letter I write to UNPD & UNCareer mr DmitriDovgpoly for the removal of UNSGguterres from his UNSGlabourcontract.

He is a threat to the national-security of the USA - World.
He organizes massmurder via my Female human body - SocialIntelligence - file ICclawcaseNL.

FBI can arrest & interview UNSGguterres.

I demand the UNSG-labourcontract.

Plus, I start a UNsystem Cleanup-program.

From today on, the UN is being rebuild into a system that works from the Best Hightech - SocialIntelligence present on Earth.

For the realization of
Compact IQ & EQ in Hightech - Social Intelligence for Justice, Robot-DNA-proof.
