

FBI, Presidents & Ambassadors, RepublicNL,

FBI,

This email is a follow up on the letter of 29december2017 in case of the fact that UNSG antonioguterres misuses my Femal Human body - social intelligence - ICclawcaseNL ... for his prvate corruption / killings.

With the approaval of DictatorhsipNL + ICC + EU + Presidents against whom I started an ICclawcase for the legal fact that they support DictatorshipNL.

What next?

FBI, as your Commandor for the United States of America I need you to inform the UNcareer- unit, officially about the legal fact that UNSG guterres = mass-murderer who enjoys to build a Criminal hel on the Internet.

You have my letter of 29dec2017 on UNSG.

Forward this letter to

<https://careers.un.org/lbw/home.aspx>

Its unclear who is the deputy-head under UNSG guterres inside the UNcareer-system.

The jobapplication instruction-book = oldfashion politics.

<https://careers.un.org/lbw/attachments/ManualfortheApplicant.pdf>

Job assesments don't test 'the methods of work of the applicant with the Torture-treaty'.

Its unclear 'if UN-personnel can work with the UN - Torture treaty.... or not'.

This has to change.

The EU is playing rotten games with the Torture-treaty. They invite victims of war to talk about the Torture-treaty, but they refuse to conduct it in daily work. 24/7.

Thus? When UNSG publicly assists ICC-personnel with creating & distributing warcrimes - and killing victims inside the ICC-system - the criminals - victims ... are aware of this situation.

I expect a huge influx of crime & terrorism, due to UNSG Guterres.

As your Commandor of the FBI, I can even order you to Arrest UNSG Antonio Guterres for reasons of National Security in the USA - Canada - Mexico - Latin America.

You don't need to arrest UNSG today.

But, it's important to clean up the UN-career-system, that does not provide in a Complaint-commission for people on Earth who prove that UN-personnel = 100% warcriminal. **Wrong!**

I plan to establish such a UN-career- Complaint commission for 100% warcriminal UN-personnel, but I can't do everything in 1 week.

So, the FBI has to start the Clean up by setting Boundaries inside the UN-system against Warcrimes committed by UN-personnel.

After you have informed UN-career.org about UNSG Guterres, you ask UN-career.org to Remove UNSG Guterres from his labourcontract... and to install me.

UNSG Désirée Elisabeth Stokkel, Interim Prime Minister NL - USA - RU - JP - IR NK in the UNSG labourcontract.

I will work from home, as much as possible via Embassies & co.

I want a UNSG-year income of a 123.000 USA dollars + benefits for Housing - Hotels - Travels, if I need it. This has to be organized by mail, on my home address and via the FBI-headoffice Washington.

I am not going to pollute Earth, by flying around the World for Fun. Although I Love to fly. But, only when I can observe Earth from Above.

I don't want to be in a plane, moving from 1 bullshit-talk to the next one. 'Communicating with the Media & co'. **Useless.**

Why, suddenly... this hard movement on my behalf? I have noticed that Simple People in the field are being paralyzed at work or being killed, for the fact 'that they communicate wrongly about the International Criminal Court', in the eyes of persons who are against The West.

I want the Killings caused by UN - ICC - EU - Nato to stop.

And I can stop it, so follow my orders, please.

FBI, I need you to forward this email to:

USA Healthcare boards
USA Schoolboards
USA Nature boards - national parks
USA Transport boards
USA Media.

I already know 'that the Pentagon rather works with me than with Trump; let's keep it this way'.

Please also forward this email to all SecurityServices the FBI works with.

I publish this email on www.desireestokkel-nl.net

Its time to Clean up Earth.
