Police the Netherlands authorized to assassinate persons against whom is started the ICCLawcaseNL. The expansion of Dictatorship Kingdom the Netherlands + sabotaging the Reset of the Judiciary & RepublicNL can bring Holland into a violent civil war within 5 days.

ICC, MinAZ, Ambassade,

FIOD, China, FBI, IPA,

**I --- InterimMinisterPresident, DésiréeElisabethStokkel ---
give the Police –Marechaussee - Defence personnel
the Legal Authority to Assassinate all persons
against whom is started the ICCLawcaseNL.**

Conditions:

**The Police – Marechaussee – Defence personnel in NL,
may only operate on Dutch territory.**

**The Police – Marechaussee – Defence personnel in NL
must deliberate with me first; I will give my command by email & video.**

**I will explain to the World in an ICC-UN-letter which decisions
I have to make for which part of the National Security in NL and Worldwide.**

Holland is a RepublicNL per 18nov2016, with a new Constitution RepublicNL + RepublicNL laws, for the removal of DictatorshipNL.

Since 18nov2016 has become visible that a group of super-powerful rulers in Holland, enjoy to make clear to the Dutch civilians and other civilians internationally 'that they are above the law and will never be punished for organizing Murder on the People'. The InternationalCriminalCourt is paralyzed, due to ICC-corruption in connection with the ICCLawcaseNL.

The Judiciary in NL & EU enjoy to keep the DictatorshipNL alive and to expand it.

The Royal family in Holland is publicly Pro-Maffia and against Anti-Maffia. Pro-DNL and against a State of Law. For this reason Prinsjesdag Tuesday 18september2018 must be cancelled.

The Parliament in NL is publicly Pro-DictatorshipNL and against a State of Law Holland.
The local Government in NL is Pro-DNL and is too lazy to build RepublicNL.

The existence of lawless-people in DNL and the foundation of RepublicNL is nothing more than a Tea-talk to persons against whom runs an ICCLawcaseNL. And to other persons against whom I have to start an ICCLawcaseNL in the nearby future.

**Murder is in Holland has become meaningless.
Like eating a Cookie at Teatime
or an espionage Cookie on a website.**

**The fact that many persons are being tortured their whole lives and are killed,
has no meaning at all anymore;
its just something you ignore or its a standard story in the criminal media.**

Strangly , the most worrying move in DNL is the fact that persons against whom runs an ICCLawcaseNL become boardmembers in the Healthcare-industry.

The people must lie to the doctor about the cause of their pains; the medical world is Pro-DNL and misuses RNL for sabotaging powerfull persons, mainly for reasons of narcism & greed.

Businesses & Organisations enjoy this public powerstruggle over DNL next to RNL... and have presented themselves as 'Gameplayers who enjoy to be a member of am Elite-Murderclub who is Free to Torture – Murder civilians, internationally'.

This situation has to stop!

Holland can turn into an extremely violent Dictatorship within 5 days.

Heavy criminals only need 5 days to arrive in NL, loaded with plenty of weapons.

The UnitedNations laugh DictatorshipNL in the face.

- Dutch politicians always have raised their finger to other UN-memberstates who violate Humanrights. Holland has presented itself in the past as the Best HR-implementing countries – what resulted in the ICJ - ICC – UN Tribunals on Dutch territory, but is now one of the most violent Dictatorships on Earth.
- International Law institutes – founded on NL soil - are as good as worthless to the people on Earth. The way the UN handles Holland is irresponsible & childish.
- Planet Earth is falling apart; mankind will become extinct.

I am not going to cry when persons against whom run an ICCLawcaseNL will be assassinated on Dutch territory. When Judges refuse to take their responsibility, somebody else has to take over their jobs.

You know what I want: The labourcontract IPM + call for Elections for the Elected PrimeMinister RNL. This will start the Cleanup of the corruption in the Courts of Laws.
