Last Warning for FBI Headquarters, USA Ambassador in NL & Spacex = stop your criminal methods of work in the ICC-UN-lobby

FIOD, ICC President, Dictator MarkRutte, Presidents & Embassadeurs, UNPD & UNcareer, Nato,

FBI Director Christopher A. Wray, USA Ambassador Peter Hoekstra,

Lets' clean up Space; shall we!?

Whether you like it or not, you own the legal obligation to inform the People of the UnitedStates of America and all UN-memberstates about the fact that I started an InternationalCriminalCourt lawcase against USA President Donald Trump.

<https://www.republiek-nederland-18nov2016.com/interimprimeminister-nl.html>

The legal fact is that you are obliged to conduct the UNcharter – Torturetreaty – Humanright treaties. You ignore this legal obligation, at the moment.

You support the 100% criminal methods of work of the InternationalCriminalCourt-personnel, with conducting torture – murder on victims who start ICCLawcases for their self-defence in warzone... and the demolition of any other Human Being on Planet Earth, who disturbs the ICC-personnel during their Criminal activities.

This is a warcrime on your behalf.

My demands: A press-release published on the FBI-website & USA-Embassy-website in Thehague before 3november2018.

FBI Director Christopher A. Wray & USA Ambassador Peter Hoekstra in NL.... write & publish a press-release on the FBI-website and the website of the USA Embassy in Thehague NL, in which they explain to the people on Earth:

1. There is an ICCLawcaseNL, since 1May2007.

2. In 2008, the FBI is personally informed by the Starter of this ICCLawcase DésiréeStokkel; about the warcrime situation in Holland, that resulted in the ICCLawcaseNL 1 May2007.
3. There is an ICCLawcaseNL started against former USA-president BarackObama & HillaryClinton for supporting the 100% criminal ICCpersonnel + KingWA and other Rulers in NL + UNmemberstates with building Dictatorship the Netherlands.
4. There is an ICCLawcaseNL started against King Willem-Alexander of Holland, on 2june2014, which proves that Holland is an official Dictatorship, because it is the King who signatures all legalisation in NL, according the Constitution Kingdom NL.
5. There is an ICCLawcase against USA President DonaldTrump.
6. There is an ICCLawcase against UNSG AntonioGuterres, who misuses Holland and the ICC-system in ThehagueNL for the organisation of his private corruption & killings.
7. DésiréeElisabethStokkel has taken over the labourcontract of USA-president Donaldtrump – UNSG AntonioGuterres – more UN-presidents ... for reasons of Peace on Earth.
8. We ---, FBI-director & USA-Embassador --- are legally obliged to follow the commands of InterimMinisterPresident for the NL – USA – RU – NK – IR – JP – UK & UNSG DésiréeElisabethStokkel, above the command of Whitehouse DonaldTrump. We demand New Elections for the USA-Whitehouse-President. This newly Elected USA-president must Cleanup the ICC-UN-lobby, which is composing Satelites wars in Space.

SpaceX, ElonMusk,

**My Stamcells Love you, but I don't worship you.
This letter is purely business.**

**ElonMusk, you own the legal obligation to officially respond to the 22july2018
ICC-UN-letter I wrote you.**

**My demands: A letter addresssed and sent to DésiréeElisabethStokkel – ICC – UNSG
AntonioGuterres in which you declare before 3november2018:**

1. I – ElonMusk – own the legal obligation to conduct the UNcharter – Torture treaty – Humanright treaties – other treaties.
2. I want the InternationalCriminalCourt to operate as a Fair International Court of law is suppose to do, in accordance to all UN-legislation. At the moment ICC operates like a Violent Streetgang, killing people on a large scale, as the ICCLawcaseNL proves to the people on Planet Earth.
3. I want new Elections for the USA-Whitehouse-President, now there is an ICCLawcaseNL started against President DonaldTrump for buidling DictatorshipNL.
4. I want the replacement of UNSG AntonioGuterres, with a new sound working UNSG who cleans up the ICC-court-system lobby and takes responsibility for a legally correct method of work exercized by all ICCpersonnel.

5. I want to realize SpaceX / Tesla-giga in Holland, after all...., on the condition that the Netherlands is a RepublicNL; put into power by DésiréeElisabethStokkel on 18nov2016, in the ICC-UN-lobby.
6. (I want DésiréeElisabethStokkel to come to the USA and work for SpaceX, as soon as her personal legal position makes this possible. I shall provide in an official Loan of 5 Million euro to Désirée, so she is No Longer a Slave in the ICC-UN-system.)
7. I – ElonMusk – don't want to be misused by UNmemberstates --- who launch Satelites into Space thanks to the facilities of SpaceX ---, with the aim to attack Satelites of other UNmemberstates.
8. I – ElonMusk – don't want to be forced to work in a warzone and I don't want to become a warcriminal.

Warning:

When I don't receive a legally correct response to this letter by the FBI & SpaceX, I will start an ICClawcaseNL against FBI-director Christopher A. Wray, the USA Ambassador Peter Hoekstra & SpaceX ElonMusk for building DictatorshipNL and participating in ICCpersonnel-murdergames. For starting a Space-war....

**Met Vriendelijke groet,
DésiréeElisabethStokkel**

Content: 22july2018 letter

FIOD, ICC President, Dictator MarkRutte, Presidents & Embassadeurs, UNPD & UNcareer, Nato,

ElonMusk,

**I write you an official UN-letter, because Holland wants Worldwar III.
So does the UN.**

Last week the DictatorshipNL has made its next 'mass-murder-move'.

The NL Minister of Justice – Grapperhaus – against whom runs an ICClawcase, has given the Media-makers /Journalists the 100% freedom to be criminals; they can be corrupt + torture + murder + lie about attacks by the people against the Media...

There will be no investigation to the disadvantage of these Media-makers / Journalists.

Media-makers / Reporters will receive better quality Police-work + Justice + Courtcases, than other humans. While the victims of the DNL Media... suffer much more in Civilwar NL.

The Science-world in Holland is a full member of the Elite-murder-club...and they still think its funny to build a DictatorshipNL. Laughing about RepublicNL.

There are businesses who do not support all the KingdomNL lies, but they do not publicly stop DNL. Example: the Bridge over the Crimea. Some NL-businesses have participated in the realisation of this bridge... based upon my Evidence of the ICClawcaseNL. Legally correct, in itself.

There are organisations who started to build RepublicNL, but stopped doing so, like the Donorregister. The Evil reality today is 'that every diseased person is at risk for illegal practises with organs'. Every living person – who participates in the Transplant world – is at risk for falling into heavy crime too.

We both know 'what the expansion of DNL means on Earth' = Space-science is at High-risk.
Of course, Bangladesh is not going to obey the demands of DNL... when they want a satellite in Space...
The majority of nations are not obeying DNL, at the moment.
But, the RepublicNL is not publicly established in a Healthy economy, what weakens the Science-production. Especially now our NL-King & co support the criminal Maffia... Online.

Elon, you & I are both gifted.

It's our Galaxy-duty to shovel Mankind on Earth forwards, into a healthy lifestyle in Space.
We all want low-cost ICT, don't we!?

Evolution of Love for All of Us.
Evolution of SocialIntelligence for Justice for All of Us.
Evolution of Wisom – for me only ? –...
Evolution of Evolution.

You are a Future-bringer for Space-Technology; I for the arrival of the Loving EQ – Robot-proof.

MEQuHi (Me EQ Hi)

**Elon, you & I are suppose to merge our body-soul-spirit
into the first acceptable Loving EQ – Robot, Space-proof.**

I know: 'You freak out when you think of the almighty power of Artificial Intelligence...'.
O boy, you must be a Man.

Can you be honest with me? Did you program the Torture-treaty + Arbitration-court-treaty +
Humanright treaty into your Testcase Computer?

Nóóóóóó.

Thus? What happens when I type in your Testcase AI Computer:
Torture-treaty.Name.Courtcases.

??? The thing falls Silent.

I am a woman, Elon. With GeorgeOrwell- Futurebringers's skills.

I use my Stamcells, before I act out.

You & I are suppose to produce MEQuHi, together.

For which is required Evolution of Contemplation of Equality.

Whitout me putting this EQ-knowledge in the Man, there will be no MEQuHi.
Without you putting your EQ-Techo-knowhow in Me & MEQuHi, there will no be Loving AI.
MEQuHi = Rock – Law – Love.

**I want to work for you at SpaceX; officially.
As Head of Psychology for the Mars-programm.**

I add EQ to your system. Make sure that the Mars-crew is upgraded with the Best
possible EQ-survival-skills, Male – Female – Robot – proof.

I want to build the Mars – Earth – Courtsystem, anchored in the Arbitration-court-

treaty + Humanright-police-treaty + the new to arrive UN-Mars-Earth-treaty.

I want the first **Loving MEQuHi** to be ready in the year 2057.
Why this year? Perhaps its the year in which I die, so it will be the last year of communication, available for you & me.

Occasionally, I can Glance into the Future.

Year **2157**, the majority of Men will be infertile.

Year **3065**, the first human MEQuHi baby will be born on Earth. 50% flesh & blood + 50% methals & ict, ready to be plugged-inn, at the Maternity-board.

We have our Space-job cut out for the Two of Us.

We both have to bring our stamcells into Evolution; which is complicated & demanding.

I have to be behind your computer when you launch the first Mars-crew into Space, so I can savekeep their Evolution of EQ in Space.

Holland sabotages this process; they don't want me to build a new Civilization.

And worse..., they don't want me to guarantee Justice for All of Us.

So, you & I have to find a way for me to work for you anyway.

The Science-world needs to wake up = turn your back to DictatorshipNL and demand RepublicNL. Publicly, although the NL-media will not inform the People in Holland about this situation present on Earth.

MEQuHi is calling...

Its up to you to give this baby a second name.

I am the Whitehouse President of USA and founder of RepublicNL;

I can arrange a passport... for MEQuHi Musk...?

FBI: please forward this letter to all UN-memberstates. You know...

**Met Vriendelijke groet,
DésiréeElisabethStokkel**
