Spacex, ElonMusk, Hiber.global, FIOD, ICC, FBI, Saudi, PD@un.org,

Spacex & FBI,

I strongly advice you to immediately stop ALL Business-agreements between Spacex - Hiber.global for reasons of national security.

Hiber.global does sent me an email, in which they make clear that they don't want to receive my emails.

They only receive emails of me , which are absolutely 100% legally necessary.... for the best possible national security in NL & USA.

To End the Hiber.global business-contracts starts with:

The ICC-UN-Spacex-Hiber.global letter

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/spacexfbiusahiberunsgiccnl26092918.pdf>

The UNcharter + Torture treaty + Humanright treaties + ICCLawcaseNL & USA.

It is forbidden voor Spacex to co-work with Hiber.global in warzone.

Apparently Hiber.global = DictatorshipNL, against which Law-makers is the ICCLawcaseNL started.

You need to determine in the letter you send to Hiber.global:
There is an ICCLawcaseNL started against King Willem-Alexander, the only person in Kingdom the Netherlands who signatures all legislation.

For this reason the laws produces in Kingdom NL, from 2june2014 on, are illegal.

Spacex assumed that Hiber.global would take the initiative to do business in RepublicNL, which is founded on 18nov2016, through the UNSG AntonioGuterres.

FBI is 100% - realtime - informed about all legal activities in connection with the ICCLawcaseNL since 2008.

What happens when Spacex continues to do business with Hiber.global?

Every Judge will state:

Spacex has made the choice to voluntarily

participate in the building of DictatorshipNL.

Spacex is a warcriminal + has to pay for damage caused...

Meaning: all Individual victims - who suffer under Hiber.global - Spacex deal - can put in a damage-claim.

FBI,

You need to take controle over the national security;

Spacex can't do this all by themselves, due to lack of experience.

FBI, please inform Nasa.
