Hiber.hlobal, FBI, SpaceX ElonMusk, FIOD, PD@UN.org, ICC, Embassy, Nato,

Hiber.global,

You now discover that being a participant in DictatorshipNL, puts the Hiber.personnel in prison.

Hiber.global is now a warcriminal in the USA, under Nasa - FBI- Airforce investigation.

You may not compare yourself with SpaceX; FBI is in my life since 2008.

Thanks to the FBI I am still alive today
= former President JP.Balkenende + warcriminal friends
would have murdered me in 2008 +

SpaceX, ElonMusk, now must repsond officially to my letters. If he doesn't he will end up in prison too.

The fact that SpaceX must respond to the ICC-UN-NL-courtcase file, is an independent Legal fact from the respons by Hiber.

Hiber.global = lost?

Hiber supports Dictators King WA + President Markrutte + MinJustice Grapperhaus.

You can not hand over the satellites to a new Legal body in NL; this body will stay under FBI-Airforce investigation too = the same Satellite.

Has Hiber.global learned a Legal Lesson?

Do you understand that the Hiber-personnel will stay out of prison, when they respond to the ICC-UN-SpaceX=FBI-letter of 26sept2018.

**When Hiber responds to this letter in writing, within 6 weeks after 26sept2018,
and clearly writes:**

'We, Hiber-personnel, will not participate in the DictatorshipNL

**and we will assist IMP DésiréeElisabethStokkel with building
RepublicNL....'.**

all your current problems are over.

Condition: This letter must also be addressed to

Embassy Portugal Thehague, UNSG Guterres

& ICC-president ICCLawcaseNL.

That all!

Meaning:

Hiber.global can continue to produce Satellites, under my signature.

When the FBI-Airforce approve of the Anti-fire-treaty Business-contract
between SpaceX - Hiber.... the Satellites can be launched.

ICT- techno - personnel now working for Hiber, will **not** lose their career.

**When Hiber.personnel refuses to respond Legally Correct
for the removal of DictatorshipNL,
all Hiber-personnel will never be able to work
in the ICT - techno - world again.**

So, you have to make a choice between:

**Your private life in prison and working in Lower-ranked Jobs after prison
and... Evolution of your Skills in RepublicNL.**

Why do you want to residence in this choice?

'How can it be that you are all so stupid

that you sacrifice your lives for

**KingWA + DNL parliament + Criminal Judges + Police & Defence-top + Business-
lobby?**

So, what will it be?

Do you want to solve this problem, or not...?
