Serge Brammertz, Advocaten Knoops & Weski, Buckingham palace, Nato, Kremlin, China, AIHCR,

This email will be published on www.desireestokkel.nl

Serge Brammertz,

I am furious with you!

On 1 may 2007, I started a lawcase against NL within the International Criminal Court. You received my file and accepted it.

You could have closed my case with legally correct procedures & verdicts within 1 year!

I know you have changed jobs over the past years, but this is irrelevant.

Yesterday, you were on Buitenhof.tv explaining 'what a wonderful job NL-politicians do in connection with lawcases against foreign dictators'.

This proves that ICC - and the Yugoslavia tribunal - keep Balkenende & co plus Rutte & co in their comfortable criminal political position, so you can arrest foreign dictators and put them in prison of the International Criminal Court.

All my letters - official letters of objection against the way I am being handled by ICC - are being ignored, so you can arrest foreign dictators.

I have NO fundamental human rights at all, now the Dutch supreme court bins files against NL-politicians, who are guilty of crimes against humanity...and wants NL-civilians to be killed by NL-civil servants & politicians.

I can never turn to the Dutch supreme court anymore for justice!

I still am a Slave in Bloemendaal, who can't sign a labourcontract and have normal life in an average job.

The local Police can still torture - murder - me, if they want...and burry me in the dunes.

Nobody will know!

I have got 2 children, who's complete youth is hel due to extreme hatred & poverty in our family-life.

You have me tortured & manipulated into death, so you can put Mladic in prison.

Of course, Mladic and every other foreign dictator must be brought to trial.

But its over and over the same again:

'EU, UN, Nato and individual Presidents from the West may torture & murder as much as they want; Africa, Arabia...and more ancient communities/countries must deliver dictators for International Criminal Trials'.

And, what makes me angry is the fact that 'all ICC & ICTY trials are only in connection with Famous dictators'.

The soldiers who actually murdered 8000 Moslim men still walk free.

ICTY is a fake courtsystem, just as ICC is.

I want you to make clear to Earth that you have made a mistake when you worked for ICC.

You should have closed my case against NL within 1 year.

Now NL-politicians are free to be a warcriminals.

You have hidden it from the world, this causes civil wars Globally.

Because ICC is a Lobby- & Assasinationcentre, soon we will have riots & more hel - in Europe.
