ICC-rechtzaak tegen Kiesraad bestuur + personeel. dossier 2014-0000242836
ICC-lawcase against ElectoralCouncil Boardmembers + personnel. File 2014-0000242836

ICC Prosecutor Fatou Bensouda, ICC President Silvia Fernández de Gurmendi ,

**UN Secretary Antonio Guterres, President VladimirPutin, President ShinzoAbe,
President AungSuuKyi, President DonaldTrump, King Abdulaziz al Saud,
VladimirPutin and DmitryMedvedev, Markrutte, Koning Willem-Alexander,
Embassadors,**

**This letter is written in the Best Simple use of English, so people in warzone can
read for themselves 'how dictatorship the Netherlands operates', ICC included.**

**I hereby start an InternationalCriminalCourt lawcase against all members of the
ElectoralCouncil board + other ElectoralCouncil personnel of the Netherlands.**

**The ElectoralCouncil has proven twice – since april 2014 – that they refuse to fully
conduct the:**

- Constitution Kingdom NL = Grondwet voor het Koninkrijk der Nederlanden
- Law Elections Kindgom NL = Kieswet Koninkrijk der Nederlanden
- Law Advice-councils Kingdom NL = Kaderwet Adviescolleges Koninkrijk NL

There is no need to copy the laws in this letter; it are standard NL laws.

**These laws guarantee 'sound governance for Dutch nationals, when legally correct exercised by the ElectoralCouncil boardmembers + personnel'.
Holland can not fall into a dictatorship when these laws are being practiced as they are suppose to be; daily life anchored in the letter of the law.**

The Netherlands has fallen into a dictatorship, due to the fact that the rulers in NL 'shop in the Constitution and conveniently ignore all legal obligatons and Treaties that can stop their personal-bounded criminal behavior, in relationship with the people'.

Persons working for the ElectoralCouncil in Kingdom NL 'shop in the Constitution', as they prove in the 2 letters they have sent to me. What gives them the freedom to assist Members of Parliament – the King – Mayor & Aldermen – Judiciary Council and Lobby – with the organisation and conduct of torture – murder on Dutch nationals.

- **The ElectoralCouncil boardmembers + personnel may not ignore all articles in laws which oblige Members of Parliament + King + Mayor and Aldermen + personnel ElectoralCouncil + personnel Advice-councils to operate legally correct, anchored in the full Constitution Kingdon the Netherlands'.**
- **The fact that it is fashionable in Holland to ignore parts of the Constitution Kingdom NL, so 'rulers can be free to stay dictators', does not mean that these warcriminals can never be stopped and punished.**

If the ElectoralCouncil would have responded legally correct to the letters & emails I have send the ElectoralCouncil, the Dutch nationals would have been informed about the ICC-lawcase against NL since may2007.

This would have given the people the possiblity 'to clean up the House of Representatives and the Senate'. The People would also have cleaned up the Monarchy and Thehaguesecuritydelta lobby from warcriminals.

This would have resulted in more security for the NL-people- and EU & Worldwide – , which would have had a positive effect on the Airport security.

The MH17-flight over Ukraine would not have taken place; the 298 MH17- passengers – who were murdered in Ukraine-warzone on 17july2014 – would still be alive today.

I have explained this before to the ElectoralCouncil, many times, by email; ICC and Embassies in NL have also received these emails.

The ElectoralCouncil in the Kingdom NL assists the NL-dictator parliament with expanding and distribution of crimes against humanity and warcrimes.

The NL-parliament – King – ElectoralCouncil members and personnel are guilty of warcrimes, now there is **no** national Court of Law in Holland available anymore where I – or MH17-family members – can turn to for 'the right' to use the Constitution Kingdom NL for self-protection of the body'. And, to get the truth on the table about 'torture – murder exercised by ElectoralCouncil members + personnel in co-operation with the JudiciaryCouncil and Dutch supreme court in relationships with the NL parliament and ICC –' .

Despite the legal fact that ICC implodes at the moment in the faces of the people on Earth due to discrimination and racism on behalf of ICC-personnel, ICC is the only court of law on Earth that can and must stop Dictatorship NL. Especially now ICC is located in Thehague NL.

All Individual Civilians who need ICC in order to stop torture – murder attempts – killings on their body, understand very well that ICC is an EU-leaders toy. An UN-members toy.

A laundry-service for criminal Europeans. But, these Individual Civilians also know 'that I – DesireeStokkel, who started the ICC-lawcase against NL in may 2007' – is entitled to the labourcontract InterimPrimeMinister for the Netherlands.

ICC-personnel is extremely reluctant to exercise the UNtreaty – Torture treaty – Humanright treaties in the files and procedures they receive from lawless persons on Earth. Thus, ICC-personnel is also reluctant to recognize me as the official InterimPrimeMinister for NL. Which proves again... that ICC-personnel tortures – murders victims who start an ICC-lawcase. And, ICC-personnel proves, that they select persons for murder in co-operation with NL-rulers during their ICC-educational-tours around the Globe.

ICC-personnel proves that they want a Regime-change in NL to end in bloodshed.

But, this doesn't change a thing to my personal fundamental Human rights: I am entitled to the InterimPrimeMinister labourcontract... and I will obtain it.

The MH17-fight passengers are entitled to an InternationalCriminalCourt – trial that operates on a high level of Social Intelligence and works with clear trustworthy problem-solving legal procedures which bring justice and calmness to the victims of war. Or their relatives.

Reminder:

Holland is a very small country. The members of the Elite-murderclub who rule the full parliament – monarchy – bureaucracy – courts of law assume 'that they are above the law and nobody can stop them'.

Even worse, they think its funny 'that they are publicly being put on trial with the InternationalCriminalCourt'.

- **They assume, the ICC-lawcase against NL will never be closed, legally correct, now Holland is such a small country... and dictates the activities of ICC-personnel.**
- **They become famous, indifferent the impact their behavior will have on warzone – terrorism – national security of Europe- World. And thats what counts.**
- **They don't mind to be put in ICC-prison for 1 year. And don't mind to be forced to pay me a payment for the damage they cause me. They enjoy their personal psychopathic hunting and punishment games on the victims' bodies.**

On 15march2017 we will have Elections for the House of Representatives in NL.

The ElectoralCouncil registers new political parties who want to supply Members of Parliament for the 15march2017 Elections. Many of these 'new parties' are founded by current Members of Parliament against whom I started an ICC-lawcase'.

Article 60 from the Constitution Kingdom NL demands that every person working in Parliament obeys this Constitution. Would Members of Parliament against whom I started an ICC-lawcase conduct the NL Constitution legally correct, it would be impossible for me to start an ICC-lawcase against NL; the NL Judiciary and Supremecourt would also operate legally correct.

Artikel 60

Op de wijze bij de wet voorgeschreven leggen de leden van de kamers bij de aanvaarding van hun ambt in de vergadering een eed, dan wel verklaring en belofte, van zuivering af en zweren of beloven zij trouw aan de Grondwet en een getrouwe vervulling van hun ambt.

Members of Parliament ignore all articles – 90 to 100 – which put in law that the UN-treaty and Humanright treaties rule over the NL-Constitution; standard NL-laws must be written and conducted in a way that the Treaties are the dominant-rule-to-live-by-over NL-laws, while creating justice for the People.

On top of this King Willem-Alexander has proven to me in the first 6 months of the year 2014 that he refuses to conduct the Constitution Kingdom NL and refuses to force current Members of Parliament and all Lobbyists to exercise the use of the full Constitution Kingdom NL, legally correct.

The King signatures the Laws for the State of Law the Netherlands according to article 47 Constitution Republic NL; he proves to support the Dictator-state the Netherlands.

Artikel 47

Alle wetten en koninklijke besluiten worden door de Koning en door een of meer ministers of staatssecretarissen ondertekend.

ICC-lawcase against all ElectoralCouncil boardmembers and personnel:

2 letters from the ElectoralCouncil that prove that EC-personnel ignores all legal obligations anchored in the Constitution Kingdom NL. ... and assumes that the ICC-lawcase against will never be brought to trial or closed.

Following boardmembers and personnel of the ElectoralCouncil must be sentenced to imprisonment for one (1) year.

- Every individual person listed in this letter must also pay me – DesireeStokkel – a payment for the damage of a 100 (hundred) euro per month for every month they handle me as a Slave of the Kingdom The Netherlands, and torture me with the aim to murder me with Genocide by Bureaucracy.
- This Payment is to be payed from the month April2014 – untill the month these individual persons offer me a settlement & payment for the damage they cause. Or untill that last ICC-courtverdict. Dictator PrimeMinister – King Willem can also offer me a settlement & payment for the damage; they have received my demands by letter.
- These ElectoralCouncil Individual employees can buy themselves out of an ICC-trial by offering me this payment and apolizing to the People in NL and Worldwide. Every individual employee listed on the list for an ICC-trial below, must guarantee me in writing 'to inform the People legally correct about the ICC-lawcase against NL-members of parliament and King Willem-Alexander'.
- Only after they have put the payment in my bankaccount and offered an apology to the People, I will write ICC with the order to withdraw these ElectoralCouncil employees from the ICC-lawcase against NL.

**I know 'these individuals working for the Electoral Council , think its funny to be a participant in this whole proces', but there is nothing funny about it....
Now NL – ICC – Electoral Council is the focus centrepont for warcriminals – terrorists – criminals, who all understand the murdergames they play in detail.**
