## ICC

I hereby starts an ICC-lawcase against the Commandors of the NL Ministry of Defence:

1. Tom Middendorp <https://www.defensie.nl/organisatie/bestuursstaf/inhoud/cds>
2. LeoBeulen <https://www.defensie.nl/organisatie/bestuursstaf/inhoud/cds>
3. RobVerkerk <https://www.defensie.nl/organisatie/marine/inhoud/cszk>
4. Dennis Luyt <https://www.defensie.nl/organisatie/luchtmacht/inhoud/clsk>
5. Harry van den Brink  
<https://www.defensie.nl/organisatie/marechaussee/inhoud/commandant-koninklijke-marechaussee>

On 15 april2015 I already started an ICC-lawcase against: Ministerie van defensie:

- Minister Jeanine Hennis-Plasschaert
- Commandant der Strijdkrachten TomMiddendorp
- Commandant Koninklijke Marechaussee Hans Leijten

And against: Judiciarycouncil boardmembers:

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/icc.rechtzaak.rechtspraak.advocatenorde.clingendael.hcss.icct.knaw.niod.ntcv.politie.1april2015.pdf>

And against PrimeMinister Markrutte and King Willem-Alexander:

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/icc.rechtzaak.markrutte.vvd.parlementsleden.nl.president.verkiezingen..knaw.niod.20apri2015.pdf>

**Against above listed PrimeMinister Markrutte – King Willem-Alexander – MinistryofDefence Minister and Commandors- Boardmembers of the Judicial council , I demand a Lifetime-sentence in ICC-prison or any other prison in a foreign nation to TheNetherlands.**

The PrimeMinister Markrutte – King Willem-Alexander – MinistryofDefence Commandors - Boardmembers of the Judiciarycouncil ignore my letter of 18nov2016 , in which I claim the labourcontract InterimPrimeMinister for The Netherlands. And in which I put into power by decree the New Constitution for Republik NL and the 3 Builderslaws Republic NL.

<http://wetten.overheid.nl/BWBR0001840/2008-07-15>

- These rulers in The Netherlands prove to ignore the Constitution for The Kingdom TheNetherlands – The UNTreaty – Torturetreaty – Humanrighttreaty – Statute of Rome.
  - **Artikel 97 Rol Krijgsmacht**  
Ten behoeve van de verdediging en ter bescherming van de belangen van het Koninkrijk, alsmede ten behoeve van de handhaving en de bevordering van de internationale rechtsorde, is er een krijgsmacht.
  - The Ministry of Defence Commandors ignore their Constitutional obligations 'to defend and protect the interests of the Kingdom The Netherlands as is determined in International law... for international security'. They only protect the Elite-murderclub of NL- ICC , not the people.
- The Charter of the United Nations... as we know it in Holland  
<http://wetten.overheid.nl/BWBV0004143/1973-09-24>

- The Torture treaty in NL <http://wetten.overheid.nl/BWBV0002507/1989-01-20>

## ICC

**I need to change my approach towards International Criminal Court -personnel:**

**I demand a Lifetime-sentence in prison against ICC-president Silvia Fernandez de Gurmendi and ICC-prosecutor Fatou Bensouda.**

They prove now – publicly in warzone all over the World – that they support the dictatorship The Netherlands on all levels: Parliament – Monarchy – Electoral council – Ministry of Defence – Police – The Hague global justice institute and The Hague security delta lobby – Media.

Terrorists – criminals trust me to clean up the International Criminal Court from discrimination of victims – racism – war crimes exercised by ICC-personnel themselves.

I can only protect The Netherlands and World against terrorism – crime when ICC operates like a court of law against all dictators, internationally. **Holland is number 1 dictatorship on this list.**

## Holland as trade-partner

The criminal behavioral-patterns of the Commandors of the Ministry of Defence – PM Mark Rutte – King Willem-Alexander – Boardmembers Judiciary council – Bar association – Lobby – ICC have created 100% chaos in NL.

**'You don't know who your friend or enemy is anymore'.**

**All contracts have fallen into 'a lawless situation'**

**now judges refuse to savekeep the State of Law NL...**

**and**

**Commandors of the Ministry of Defence refuse to restore State of Law NL.**

You have received emails from me which prove that many businesses are indifferent about the fact that dictators Mark Rutte and King Willem-Alexander misuse ICC as a cover for their psychopathic needs. ICC-corruption is a reason for businesses to become criminals too. These organisations will also be indifferent to the fact that the Ministry of Defence refuses to conduct the Constitution-Treaties.

**The Constitution Republic NL is in power from 18nov2016,**

**with or without my written labourcontract InterimPrimeMinister NL;**

**with or without publication in the**

**<https://www.officielebekendmakingen.nl/staatscourant>**

I have created this new anchor for the economy of NL, so 'a new good practice can be build from Holland and with other nations'. On the condition the new legal reality is being accepted and the evil lobby is being stopped by the people.

Every organisation that wants to run a Sound Business has the opportunity to do so.

You'd rather be a criminal? Do you believe terrorists don't know this?

### What needs to be done?

1. **Embassies must stop making fun of this situation in NL;** you have had your moment of joy over the past 8 years..... I started the ICC-lawcase against NL on 1may2007... and you were all informed about this move. It has brought us the Arab spring – Syria war – Refugees – Economical crisis. And it will bring us Extremely aggressive Refugees – Terrorists in EU. It will keep Turkey in war. Iraq and Syria will stay in war; so will Libya – Mali.

The criminal methods of work of ICC are a gift from Paradise for terrorists who are being put on trial inside ICC; they prove internationally, that ICC is a partial – racism court. Terrorists obtain international media-attention for this move in their advantage and get a spot in Paradise for producing this type of evidence about ICC. IS grows due to ICC-methods of work.

2. UNSG AntonioGuterres takes over the UN-office on 1jan2017. I need Portugal to disconnect from the NL Ministry of Defence – especially for Bordercontrole – now terrorists don't trust the UN. Portugal will gain the respect of terrorists when Portugal disconnects from NL-ICC lies... ; they will not attack Portugal. Portugal must – for its own national security – disconnect from EU and co-work with BREXIT or other nations.

**Unless,** Dictator Markrutte starts to live in the legal reality he created himself; gives me a settlement & payment for the damage NL caused by manipulating me into an ICC-lawcase. This will end the warcrimes exercised by ICC-personnel. Which will calm down warzone – terrorists – criminals. Only when ICC operates like a fair court of law, its save for Portugal to stay a EU-member.

### **UNSG AntonioGuterres has to perform a NEW Task inside the UN.**

He must clean up ICC, whether he likes it or not. **He has to prove – internationally – that he respects the Evolution of Social Intelligence.** Only when politicians are prepared to grow in Social Intelligence we can keep Earth alive... and the people on it. The main task is 'to brainwash the people with a Fairtrade and Eco movement; take away the media-attention from the distribution of war'. I know 'how to shovel the Fairtrade-movement through the throats of the people', so UNSG AntonioGuterres will be able to accomplish his Galaxy-duty too.

3. I have noticed that the BREXIT-countries already 'set up bounderies for doing business with NL'. Good, I can handle you!
