ICC-President Sang Hyun Song, Proceutor FatouBensouda, Registrar ignore letter of complaint. Of 1sept2012. Ministerie VenJ Ivo Opstelten ignores letter 24febr2013. Asylum-request for Bolivia.

President Sang Hyun Song, Proceutor FatouBensouda,

You ignore my letter of complaint of 1sept2012.

This proves that you torture me and try to murder me. Or have my children & me tortured & killed by Dutch Ministers, Politicians, CivilServants. And your ICC lies & manipulations in the media.

- You refuse to work with legally correct procedures for a lawcase against NL, started by me on 1may2007.
- You refuse to work intelligently & problem-solving now you want to keep my file open by ignoring all your legal obligations regarding to me, NL-people and other nations & civilizations. Despite the fact that this causes more wars, Worldwide.
- You refuse to close my lawcase officially by demanding from NL-politicians in my file, a settlement & payment for the damage caused by NL-parliament, Hoge Raad & ICC in my family-life.
- Obviously you have 2 targets: kill my family & trigger as many wars as you can on Earth.

I hereby demand again that you implement & conduct the Statute of Rome.

Close my lawcase with either courtverdicts or a settlement & payment of the damage paid by NL-ministers.

FSB, Embassy Russia, Roman Anatolievich KOLODKIN, EdwardSnowden,

Over the past 2 months I emailed you on my connection with EdwardSnowden & BradleyManning.

I have given you my plans.

Together with EdwardSnowden I want to move to Bolivia in a few years time, to start an new Type of NGO. **IKSS. ICCKidsrights - Snowden - Stokkel.**

The target is 'to teach kids how to think & behave based on the Torture-treaty, aimed at conflict-ending without violence'. Make kids stronger with words, so they don't feel the need to take up weapons.

Please deliberate with the Kremlin, Bolivia & EdwardSnowden & FBI.

When I have a say: 'BradleyManning is welcome inside IKSS'.

President Juan Evo Morales Bolivia, Eduardo Rodríguez Veltzé,

You have receives my emails too. My ICC-file is on the CD.

I hereby officially ask you to give and my children Asylum in 2014.

As you know, ICC is a murderweapons in hands of an extremely violent lobby. The ICC - NL- HCSS - UN - EU - lobby. They try to murder my family by ignoring all my fundamental Human rights. This lobby caused your plane to be diverted to Vienna.

I preferably travel to Bolivia as your friend, with a settlement & payment for the damage of 5 million euro – after tax – on my bankaccount. I have worked very hard for this money = I have to have myself tortured + must clean up corruption inside the NL-parliament + Ministeries + Municipal Bloemendaal + ICC + UN + EU + Kremlin + USA + Asia + Africa + Alqaida.

With this money I don't need to clean up Bolivia, but I'd like to help you start a free-available law-webschool for kids from 0 – 21 years old.
You already have the basic businessplan in your computer.

I can only travel to Bolivia after my daughter has passed her exam VMBO-tlec, in 2014.
My son starts at VWO 5 this year. He will stay in NL for a Universitystudy in Maths or Physics.
After becoming Professor in Galaxy-creatures, he can help Bolivia at University-level.

Besides, EdwardSnowden needs Asylum-papers for life, given to him by Russia in 2014.

Can we talk about BradleyManning working with Edward & Me?

I strongly advice Bolivia to disconnect from ICC, officially.

FBI, President Barack Obama, Adam Sterling, BradleyManning,

You – USA – have proven to ignore all humanright-treaties..

The only thing Americans want to be free to attack & kill individuals.

You refuse to work with the UN-charter, Lisbon-treaty for the EU, Torture-treaty & HR-treaties, trade-treaties.

ICC is for 50% build by Americans Benjamin & Donald Ferencz; not something to be proude of.

I want you to instruct the NL-Ministers to pay my 5 million euro – after tax – as a settlement & payment for the damage in connection with my ICC-lawcase against NL.

Why?

- I can't put President Barack Obama in ICC-prison anymore after receiving this payment.
- Well, I am the only person on Earth who can actually change the thinking- & behavioral patterns of Alqaida, wiht the removal of ICC – NL- UN – EU – USA – Barassociation – University – corruption. Starting inside ICC, finishing in Bolivia.

Minister Ivo Opstelten,

You have ignored my letter of 24febr2013.

What proves that you are an official dictator. All NL- Minisiteries are dictator-systems.

Again, I want you to give me a settlement & payment – 5 million euro after tax – for the damage ICC & NL cause my family.

I want you to stop building wars, Worldwide.

I want you to be co-operative with Bolivia in any way needed in connection with me.

When I move to Bolivia, this is to the beneficial of both, Holland & Bolivia.

Trade will increase.

Added print Bankaccount.
