Ik start nu een International Strafhof rechtzaak tegen RTLnederland - RTLgroup.

Zij weigeren de Grondwet en Mensenrechtenverdragen toe te passen en helpen Parlement, Koninklijkhuys, bij het stiekem folteren en doden van Nederlanders. Zij liegen altijd over de MH17-oorzaken en gebeurtenissen.

Zij liegen over de wijze waarop Regering, Parlement, Koninklijkhuys en ICC-lobby oorlogen aanmaken in NL voor behoud van luie criminele luze leventje.

I start an ICC-lawcase against RTLnederland - RTLgroup for ignoring the warcrimes of the Cabinet MarkRutte, Parliament, Monarchy, ICC-lobby. And for causing the MH17-flightcrash with all their lies to the people about the ICC-lawcase against NL, I started.

According to the Torture-treaty its forbidden to communicate with persons who ignore the Constitution and HumanRights when they want to be free to torture & kill Dutch nationals.

I have started an ICC-lawcase against the Ministry of Common Affairs of NL - presidency for the fact that they ignore my ICC-lawcase, and the Constitution and HR-treaties.

MinAz Secre.general wants a civil war in NL - EU.
He also wants an NL-war against Russia and China.

In the letter you also read an instruction-list from me for Russia, China, Estonia, Saudi, Kuwait in connection with the criminal ICC-staff.

Now I expose the ICC-NL-dictatorclub to the World, its members become more aggressive = they only care for their personal 10 - 30 labourcontracts. If they have to start wars in order to stay in power, they will.

But, officially - according to the Torture-treaty - I am PM of NL... and I don't want wars.
