**I hereby start an ICC-lawcase against the Nobelfoundation Boardmembers and the Vatican  
Popes Benedictus XVI Jozef Ratzinger and Francesco.**

### **The Nobelfoundation**

The Nobelfoundation has misused my ICC-lawcase against NL for personal favourism, corruption and violation of Constitutional & Humanrights of its boardmembers in relationship with Dutch politicians against whom I started an ICC-lawcase, since may2007. File on added CD and websites.

<http://desireestokkel.nl/NobelFoundation.ICC.torture.warcrimes.22april2011.pdf>

According tot he Torture-treaty the Nobelfoundation was legally obliged to help me turn the International Criminal Court into a fair courtsystem that also judges against Western leaders.

The Nobelfoundation did the opposite = they became more violent and started to behave like warcriminals who reward Western- N-leaders for the warcrimes they conduct.  
The Nobelfoundation rewarded the NL-politicians against whom I started an ICC-lawcase with the Nobelprize for Peace 2013 for OPCW.

The Nobelfoundation communicated with the Dutch Cabinet, Parliament and OPCW-staff as if the Netherlands is a nation that implements and conducts the Constitution and Humanright-treaties correctly. while the Nobelfoundation had received my ICC-lawcase by mail and was informed about the warcrimes existing in NL.

**I start an ICC-lawcase against former Pope Benedictus XVI Jozef Ratzinger and current Pope Francesco.**

Bot Popes, approve of the warcrimes committed by the Catholic Church in the Netherlands – priest Antoinebodard & Co – in their relationships with NL former-Prime Ministers J.P.Balkenende and his Cabinet and Parliament ... and current Prime Minister MarkRutte and his Cabinet and Parliament.

The Catholic Church has refused to conduct the Constitution and HumanRighttreaties in relationship with politicians, media-makers and lobbyists who enjoy to tortrue & kill civilians in NL. The Catholic Church was – and is – legally obliged to help me turn the International Criminal Court into a fair courtsystem that stops wars.... and prevents wars from breaking out.

They Catholic Church has done the opposite = the Bisshops, Priests and Vatican choose sides for warcriminal politicians and other powerful persons... and broke down the State of Law The Netherlands for the narcissic ego's of the Bisshops and Priests... and Popes.

This Church is now a warcriminal-paradise, which collaborates with ICC in spreading wars Worldwide. The rulers simply ignore their personal legal obligations when they watn to kill people.they try to kill me for the fact that I prove corruption between Courts of Lawin NL and the NL-politicians, Royal faily and Lobbyists.

The RKK-media is a participant of NPO-media. State-financed media.

I started an ICC-lawcase against media-makers this week, included religious broadcasters like RKK, IKON, EO, NCRV... for the fact that they ignore the Constitution, Humanright-treaties and ICC-lawcase against NL... for the luxurious Labourcontracts of the media-makers.

Read the ICC-lawcase on CD and my websites.

**My demands:**

I want all above listed persons to be convicted to one year in ICC-prison for organizing and conducting torture & murder in cooperation with the Cabinet, Parliament, Monarchy, Judiciary Council, BarAssociation, LegalAid council. NPO-media-makers, KNAW, NIOD, HCSS, Clingendael, ICCT, NTCV, TheHagueglobaljusticeinstituut and other lobbyists.

I want each of the above listed persons to pay me a 100 euros per person per month for the damage they cause me, from 1may2007 = the day that I started an ICC-lawcase against the Netherlands. According to the Torture-treaty is was forbidden to communicate with former PM J.P.Balkenende & co – and later Pm M.Rutte & co – any further; listed persons ignore this Torture-treaty.

[Priest Antoine Bodar is listed under the ICC-lawcase against NPO-media-makers](#)
