InterimPrimeMinister, DésiréeElisabethStokkel will be the United National Secretary General from 1january2018 on. In charge of Japan – Russia – NorthKorea – Iran, from 23oct2017 on. And, USA from 25sept2017 on.

ICC President Silvia Fernández de Gurmendi , UNSGAntonio Guterres, Dictator Mark Rutte, Presidents & Embassadors,

UNSG AntonioGuterres, All Presidents & Embassadors on Planet Earth,

UNSG Antonioguterres plans to murder thousands of individuals together with Dictatorship NL & ICC-president / prosecutor / judges / personnel from december2017 on.

Who and where?

Everybody who is not Superrich and disturbs his private 'happy lifestyle'. He simply ignores all his legal obligations to get the job done.

From 1january2018 on, I

– the InterimPrimeMinister DésiréeElisabethStokkel –

for the Netherlands – USA – Japan – NorthKorea – Iran – Russia...

will take over the Office from the

United Nations Secretary General AntonioGuterres.

I will be United Nations Secretary General from 1jan2018 on.

UNSG AntonioGuterres has proven in december2017 in the Netherlands:

1. That he refuses to implement & conduct the UNCharter – Torture treaty – Humanright treaties – Constitutions.
2. UNSG guterres supports the Dictatorship NL + 100% corrupt InternationalCriminalCourt-personnel; he assists the Dictators in NL with organizing murder on civilians & victims who need ICC in order not to be murdered on national territory.
3. UNSG guterres supports the 100% warcriminal Politicians – Mayors – Eldermen – Boardmembers who want the Netherlands to be & stay a 100% Dictatorship with Criminaljudges in charge.
4. UNSG guterres supports the 100% warcriminal Head of Police and Commandors of the Defence-Ministry in Holland.
5. UNSG guterres supports the 100% waarcriminal Professors / Teachers in charge of Law – National Security – Warzone in NL.
6. UNSG guterres supports the 100% corrupt Nato and its misuse of ICC as a cover for their warcrimes.
7. UNSG guterres supports the 100% warcriminal Media-makers in NL
8. UNSG guterres turn BREXIT into a FAKE-legal framework, with his personal warcriminal-behavioral-pattern.

UNSG Guterres & ICC are legally obliged – according to the Torture treaty – to supply a copy of my ICC-lawcase against NL and the foundation of Republic Netherlands per 18nov2016, to any person on Earth, who asks for a copy of this file with the aim the build Republic NL.

I – InterimPrimeMinister & UNSG DésiréeElisabethStokkel - command:

1. To ignore the Netherlands in the UnitedNations SecurityCouncil. Its is forbidden for the Netherlands to have a seat in the UnitedNations SecurityCouncil from 1january2018 on, according to the Torture-treaty. There is an ICCLawcase against NL. King Willem-Alexander has proven that he is a Dictator on 2june2014; he signatures all NL laws. It is for all UN-members legally forbidden to communicate with the King in the Netherlands and all other politicians – persons who build DictatorshipNL.
2. Its forbidden for the InternationalCriminalCourt-president / prosecutor / judges / personnel to communicate with the Dutch King & politicians / persons against whom I started an ICCLawcase, other than in ICC-courtroom of official ICC-communications inherent to the ICCLawcaseNL.
3. Its forbidden to communicate with Nato-members / Ministers / Heads' of state against whom I started and ICCLawcase, for the legal fact that they support DictatorshipNL.
4. All contributions for Peace-keeping conducted by the Netherlands must be stopped. In RepublicNL the Ministry of Defence will have one International Duty, namely: 'the building of court-systems / the Arbitration-court-system in conflict-zones / warzones'.

5. All United Nations – European Sanctions are lifted. All threats with sanctions in the media are history. All war-threats are history too.

UNSG Désirée Elisabeth Stokkel commands the UN for 2018:

1. To re-anchor all activities & work produced by the UN in the UN-charter & Torture-treaty for the Clean up of the UN-system. I want this Cleanup – job to be finished on 31 december 2018.
2. I want the Nato to be Cleaned up; all persons working for or with Nato and against whom I started an ICC law case must be replaced with new persons who conduct the UN Charter – Torture-treaty – HR treaties – Constitution Republic NL.
3. UN must conduct the new Arbitration-court-system treaties + EU-Future-proof-treaty.
4. I want all UN-memberstates to have the same Constitution, Worldwide.
Meaning: all UN-memberstates must accept the Constitution Republic NL as a new constitution on their own territory; on top of the Constitution Republic NL text each UN-memberstate writes its own Chapters for Life on national territory.

What we accomplish is a Fairtrade & eco movement on the Highspeed-frequency.

5. All UN-memberstates will also conduct the same system for Punishment of persons who refuse to exercise & conduct the Constitution, namely:
'365 days Community service under Electronic surveillance at the lowest legally correct Year income possible on national territory. 'Constitution-Criminals are listed publicly, but after 365 days punishment they will be rehabilitated officially... and will be free of shame'.
This will cut down on Court-costs & Crime-costs.
6. By the End of 2018 I want all UN-memberstates to work with the Arbitration-court-system, in the Trade-world too. When criminals understand 'that there is only 1 type of Arbitration-court-system, they can manipulate less = they lose creativity'.

Cuba, please forward this file to the North Korea Embassy in Havana Cuba.

FBI, please forward this letter to all foreign Embassadors in the USA; don't forget to inform the Pentagon + All Courtsystems + all Education-systems too.

Planet Earth is far too low-intelligent for me. I deeply detest this Planet.
There is no Evolution of Social Intelligence with the aim 'to give every person a fair life in justice'.

Desiree Stokkel
Interim Prime Minister for Netherlands, per 18 nov 2016
