**Spylaw Dictator Markrutte, to be implemented & conducted from 1may2018, paralyzes TRADE internationally. This Spylaw results in a full civil-war in Holland.**

**ICC Prosecutor Fatou Bensouda, ICC President Silvia Fernández de Gurmendi ,  
UN Secretary Antonio Guterres, Dictator Markrutte, Embassadors,**

**UNSG Antionoguterres, Embassies in Holland & co,**

**UNSG Guterres you don't have the right to start a civil-war in Holland and to cause  
the bankruptcy of compagnies.**

From 1may2018 on, NL will have a 100% Espionage-platform, anchored in the law:

<https://www.aivd.nl/publicaties/kamerstukken/2017/08/17/publicatie-in-staatsblad-van-wiv-2017>

Although there will be a Advisory Referendum in Dictatorship NL about the conduct of this law,  
Dictator Markrutte has already announced: 'I want this law'.

NL – Dictator Cabinet Markrutte – has already made the decision to implement & conduct the  
Spylaw, despite the fact that the NL-people may vote against implementation.

The consequences of the conduct of the Spylaw are:

1. All Organizations in NL will be spayed upon; embassies included.
2. The Evil lobby – of which you are a member UNSG guterres – will decide on torture – murder of civilians in Holland and Internationally.
3. Dictator Markrutte states: 'the Spylaw is only to catch criminals'.  
Well the thing is... 'Embassadors – Presidents - EU politicians - UNSG – Organisations... are criminals in NL', now they support the ICC-personnel with the demolition of human bodies, internationally.
4. Dictator Markrutte and the Evil lobby.... plan to stay in controle over the murder-games the International Criminal Court plays with mankind. Therefore they need to spy on Everybody.

**UNSG guterres you have the legal obligation to keep Planet Earth war-free.**

1. On 18nov2016, you should have contacted me immediately... and thanked me for my wonderful plans to clean up Earth with: the Arbitration-court system and the InterimPrimeMinister 'Regime-change without violence construction'.
2. In accordance with the Torture-treaty you were legally obliged to assist me to keep Holland war-free, instantly. And you should have distributed my IPM -system all over the World... to stop crime with. You failed to do so, for reasons of personal Freedom to Murder and corruption exercised by Portugese politicians with the assistance of Dictators Balkenden & co and Rutte & co in NL.

**For reasons of national security – and the maintenance of Trade – all over Planet Earth, I demand that you acknowledge me officially as InterimPrimeMinister for Holland, from 18nov2016 on.**

**And, make sure that I will receive my official labourcontract, from 18nov2016 on.**

**Stop feeding criminals on the Internet with your torments on my body; stop proving that you enjoy to increase the amount of terrorism on Earth...by supporting ICC-personnel guilty of torture – murder.**

**Stop sabotaging the Trade-world with you FAKE-peace communications, now you plan to breakdown TRADE in coöperation with Dictator Markrutte, internationally ... via ICC-corruption.**

**I will stop the Spylaw;** there is no need for the Spylaw in NL.... when India doesn't implement a 100% Spylaw either. Even China – a wellknown pusher for the people's brain – doesn't Spy on all Organisations & Human beings a 100%. We all know that China is a replica-builder, but even that program is being stopped. China is not an ICC-member. India does not give ICC-presidents – ICC prosecutors – ICC judges & co the freedom to spy on Everybody; in coöperation with Dictator Markrutte, now its impossible to spy in India for a 100%.

**I also demand that you leave your labourcontract UNSG at once; a younger Portugese person can take over your UNSG-labourcontract.**

**UN-members who keep UNSG guterres in his labourcontract ASK him to cause bankruptcy of the Business-world – Worldwide –, via ICC-corruption and NL- 100% – Espionage-lobby. NL-judges want a civil-war in Holland, too.**

**DesireeStokkel**

**InterimPrimeMinister for Netherlands, per 18nov2016**
