InterimPrimeMinister DésiréeElisabethStokkel: Labourcontract – Settlement & Payment damage ICC – new businesslife for people

ICC President Chile Eboe-Osuji, Dictator Mark Rutte, Presidents & Embassadors, UNPD & Uncareer,

ICC President Chile Eboe-Osuji,

In accordance with the Torture-treaty you have the legal obligation

1. To inform the people on Earth about the fact that I started an ICClawcase against NL on 1may2007.
2. Explaine to the people that all former ICC-presidents / prosecutors/ employees have refused to share this horrific truth with the people on Planet Earth. **I am very much aware of the legal fact that you have always supported the ICC-murdergames , since your ICClabourcontract became active on 11march2012 = you also lie to the people on Earth about the ICClawcaseNL And the fact that ICCpersonnel murders victims who starts ICClawcases.. Which results in hel in Nigeria. You are a mass-murderer and the whole world is aware of it.**

<https://www.icc-cpi.int/CourtStructure/Pages/judge.aspx?name=Judge%20Chile%20Eboe-Osuji>

3. To remove all ICC-personnel – who worked for ICC in the period 1may2007 – 23april2018 for the legal fact that they have never conducted the UNcharter – Humanright treaties – Statute of Rome.
4. To remove UNSG Guterres from his labourcontract, since I took over the UNSG-office on 1 january2018 = UNSG guterres proves to misuse my legal evidence & trust for his private corruption & killings, and he tries to use my female body and intelligence as a

cover for his criminal behavior. The Torture-treaty rules for UNSG guterres, too. Its forbidden for you to communicate with all persons against whom I started an ICCLawcase.

5. **You also have the legal obligation to remove yourself from the ICC-system.**

I am entitled to the labourcontract InterimPrimeMinister for Holland, from 18nov2016 on. TheNetherlands is a RepublicNL per 18nov2016 on, with a new Constitution RepublicNL and more wonderful problem-solving laws, I have put into power by decree via the UNSG & Embassies on Earth.

The ICC-lawcase NL can still be closed with a Settlement & Payment for the damage; I need you to build a civilized solution for Earth. You know very well that criminals - terrorists are more active & aggressive due to the Corruption & Freedom to Murder designed & conducted by the ICC-personnel on all layers in the ICC-organogram. This situation must stop. War can only be stopped when ICC-personnel is at least as Social Intelligent as I am.

I am looking forward to your Cleanup-ICC-response on my ICCLawcaseNL... And your Cleanup-strategy against All Presidents/ Embassadors / Persons who prefer to misuse ICC as a cover for their private corruption & murderlust too. Thus: you need to Cleanup yourself first, legally correct = apologize to me for the way ICC has handled my courtfile; apologize to the people on Earth and start to operate legally correct, from the Torture-treaty.

Kremlin VladimirPutin, MikhailProkhorov, KseniaSobchak,

Putin, I am InterimPrimeMinister for Russia per 23october2017.

I hereby demand the Labourcontract inherent to this position + Settlement & Payment for the damage you cause me and the people on Earth.

Yearincome 12 months Putin = 113.000,00 euro

Thus, my yearincome for 12 months IPM DésiréeElisabethStokkel Russia = $\frac{1}{2} \times 113.000,00$ = 56.000,00 euro, to be payed from 1nov2017. I do not claim this labourcontract, now I am PrimeMinister for TheNetherlands.

Settlement & Payment for the damage = 4 x 1 million euro, for the ICCLawcases against Putin – Medvedev – Lavrov – Shulgin. I do claim this payment, for the official Cleanup of the Kremlin – ICC – UN.

Kremlin:

The Kremlin is being managed in a very childish way; Putin & co lie to the people about the ICCLawcaseNL + ICCLawcaseRU, what results in FAKE trade-sanctions. The Russian & Earths-economy suffer under all sanction-lies on behalf of Putin & Co. UN-memberstates lie too. This proces must be stopped; so I intervene with some legal reality.

New Business for Russia – UN charter prove, internationally –.

I – IPM Russia – do want to get payed for my services, but I don't need all the money for Myself. I proceed on this money as a payment for damage at the NL-taxoffice and I make donations to the RU-people.

I want to invest the Money I collect from Russia in the Russian-lifestyle.

1. I am going to re-invest the money in the RU-healthcare system for the poor.
2. MikhailProkhorov & KseniaSobchak have to assist me on this journey.
3. I want to hire a Camera-crew and travel around the country, visiting Medical services for the poor.
4. Make descisions for re-investing the money.
5. We record this journey; the investments and the results accomplished with the IPM-

Budget for the RU-people. We produce our own tv-serie and sell it to foreign broadcasters around the World. The money we collect from this Entrepreneurship is to be re-invested in the Russian-lifestyle for the poor.

6. We all work low-budget. Mikhail & Ksenia, too.
7. EdwardSnowden takes care of the ICT-needs in the medical-facilities.

I want my money Putin! You are not fit to be the sole President for Russia.
You will receive this letter via the RU-embassy in Thehague.
MikhailProkhorov & KseniaSobchak will receive this letter by email.

Iran
Be a Trendsetter!

As InterimPrimeMinister for Iran I command you to transform the Fashion-Police in iran, into Humanrights-Police. This new design of Police-officers assists the people of Iran with the building of the Arbitration-courtsystem – publicly – for Love for All of Us.

You are lucky, Iran. I don't claim my Settlement & Payment for the damage, yet.

This part of luck also runs temporarily for USA – JP – NK – UK.

DesireeStokkel
InterimPrimeMinister for Netherlands, per 18nov2016
