Japan Ambassador H.E. Hiroshi Inomata must leave the Netherlands; he assists the InternationalCriminalCourt with torture – murder on Dutch Nationals and falsifying the MH17-file in NL – Ukraine – Russia relationship.

ICC Prosecutor Fatou Bensouda, ICC President Silvia Fernández de Gurmendi , UN Secretary Antonio Guterres, Dictator Markrutte, Embassadors,

President ShinzoAbe and H.E. Hiroshi Inomata Japan, UNSG AntonioGuterres,

I hereby command the Ambassador for Japan in the Netherlands – H.E. Hiroshi Inomata to leave the Netherlands before 15 february2017.

1. For the legal fact that he supports the torture – murder designed and conducted by dictator Markrutte – King Willem-Alexander – ICC prosecutor FatouBensouda – ICC president Silvia Fernández de Gurmendi on the human bodies of Dutch Nationals. On the human bodies of People in warzone.
2. For the legal fact that he supports the falsification of the MH17-flightcrash file by ICC – NL; and both – ICC and NL – want a war with Russia from Europe.
3. Japan has donated a Peace-bell artwork to the InternationalCriminalCourt on 24january2017 – in the hands of ICC prosecutor FatouBensouda and president Silvia fernández de Gurmendi – as a reward for good relations between Japan and ICC.

18November2016 the Japan Embassy has received by mail the legally valid evidence which proves that the Netherlands is a 100% dictatorship since 2june2014, with the approval of the InternationalCriminalCourt.

King Willem-Alexander has proven that he wants to signature Dutch laws & treaties for a 100% criminal NL-parliament under President Markrutte, who operates like a Dictator. They both lie to the Dutch People – and to 7 billion other human beings on Earth – about the fact that a Dutch woman – me – has started an ICC-lawcase against NL on 1may2007. What has resulted in many wars.

This lie has resulted in the MH17-flightcrash above warzone Ukraine on 17july2014. The personnel working for the InternationalCriminalCourt is first responsible for this warcrime; they have refused to protect the Dutch Nationals against the lies of the NL-parliament and Monarchy. The United Nations and European Union support all the lies produced by ICC-personnel. And the NL-dictators.

Apparently, so does Japan.

Japan proves to want a violent Regime-change in the Netherlands and proves to want bloodshed during this Regime-change from Kingdom NL into Republic NL. By assisting ICC-personnel tortures – murders on the body of victims who start lawcases against European-leaders. Japan assists NL- ICC with the demolition of victims who are a 100% lawless and can not turn to any other court of law for the re-claim of their Constitutional – and Fundamental Humanrights on Planet Earth.

But this time around life has changed; I already had build international power, especially from 2014 on, the year in which I published the new Constitution Republic NL for the first time online and forwarded it to all Embassies.

Warvictims in warzone are fully aware of this situation.

Criminals – Terrorist respect my work, now I want Justice for All of Us, while ICC and politicians want to misuse ICC as a laundryservice for their warcrimes.

I am the only person in Europe who can prevent a high number of Terrorism-attacks / war from breaking out in Europe. And Japan is making fun of it.

Japan shows no respect at all for Justice – Peace – Sound governance – effective Fairtrade & eco economy. Japan is making fun of human beings who live in pain and war; breaks down acces to court for Problem-solving Conflict-ending for these persons.

In my role as InterimPrimeMinister for Netherlands I do have the legal right to remove warcriminals from Dutch territory, and the Japan Ambassador H.E. Hiroshi Inomata is the first diplomat who must leave the new Netherlands:

‘now he proves to be guilty of assisting Dictator President Markrutte – King Willem-Alexander, the InternationalCriminalCourt prosecutor FatouBensouda and president Silvia Fernández de Gurmendi with torture – murder on the bodies of Dutch Nationals. And the falsification of the MH17-file inside ICC’.

Japan clearly ignores all legal obligations in accordance with the UN-charter – Torture treaty and Humanright treaties.

I can't copy all these treaties in this letter; Japan ignores all legal obligations a 100%.

My demands:

1. Current Ambassador Japan H.E. Hiroshi Inomata in TheHague Netherlands must leave Holland before 15february2017.
2. He must be replaced by a new Ambassador for Japan who has the decency to protect human bodies against violence and war.
Who conducts the UN charter – Torture treaty – Humanright treaties – Statute or Rome – Constitution Republic NL during the transition from the Constitution Kingdom the Netherlands into Republic Netherlands.
3. Who does not support the torture – murder designed and conducted by the NL-dictatorship – ICCpersonnel – EU – UN.
4. Who co-works with me – DésiréeElisabethStokkel – for the cleanup of NL- ICC – EU – UN corruption. And who has the decency not to start wars from Europe against Russia, or Turkey.
5. Who builds the Fairtrade & eco economy on the Highspeed frequency with other persons – organisations, who don't want conflicts – war.
6. I also demand that the current warcriminal Ambassador H.E.Hiroshi Inomata, states publicly:

'We, Japan, have made a terrible mistake with the donation of the artwork to ICC under current legal circumstances in the Netherlands and ICC.

We have received legally valid evidence that ICC-personnel tortures – murders Dutch Nationals and other Civilians on Planet Earth, on 18november2016.

DésiréeElisabethStokkel is the InterimPrimeMinister NL, since 18november2016.

Holland is in transition from Kingdom into Republic... caused by the fact that ICC-personnel operates like warcriminals themselves and supports dictatorship Kingdom the Netherlands.

Japan has the legal obligation to support this transition into Republic NL, without generating and distributing violence.

ICC has proven to want war, designed together with the Kingdom the Netherlands.

We, Japan, will collect the artwork from ICC. We will support the cleansing of ICC for the Republic NL and Planet Earth.

From the day ICC has proven to be a fair court of law, that no longer tortures – murders 100% lawless victims who start ICC-lawcases against their leaders, Japan will bring the Bronze to ICC as a token of sound governance'.
