**Viviane Reding - and José Manuel Barroso and all other Commisioners & MPs -,**

**I can start a lawcase against you with the Interantional Criminal Court in The Hague, Netherlands.**

**I can put you in prison for 'crimes against humanity', namely:  
 'Assisting the NL-supreme court & MPs Balkenende-parliament in warcrimes  
 = torture, genocide by bureaucracy...and the making of terrorism...'**

Since 1 may 2007 there is an official ICC-case against the Dutch supreme court, President Balkenende & co and municipal Bloemendaal for 'crimes against humanity':  
 = slavery on my family, torture and the making of terrorism in NL.

The file of this case is published on [www.desireestokkel.nl](http://www.desireestokkel.nl)

On Presidents'office you see that EU-persons, UN Ban Kimoon and many others recognize this ICC-case against NL.

EU & UN recognizes this lawcase, but refuse to implement & conduct legal obligations inherent to it. Being an EU- & UN-politician, you are legally obliged to implement the Torture-treaty. It is forbidden by law to work together with persons who are official suspects of 'crimes against humanity' with a Criminal lawcase against them within ICC.

**Since 1 may 2007, its forbidden for you - and others - to assist dictators who have a seat in NL-parliament.**

When you read evidence on my websites carefully, you see that ICC operates like a Hitler-court. ICC refuses to work with procedures, timeschedules, lawyers for victums. The result of this is 'that Taliban & Al Qaida do recognize my ICC-case against NL...and know that EU-leaders want to be above the law, while Moslims are being accused of terrorism ...by those same EU-leaders'.

**ICC is accountable for more war on Earth.... and more economical disasters....  
 And you support this!**

**Because you don't want to know whats going on in NL and ICC, you are a warcriminal too.  
 You want me - and others - to be tortured & manipulated into death.**

**I want you to stop the criminal behavior of ICC-employees, today.  
 And turn ICC into a fair court of law.**

**I also want you to inform Earth about the truth about NL-supreme court, NL-parliament and ICC.**

**You - and EU - look ridiculous in the eyes of 'terrorist', when you state  
 'that France is guilty of crimes comparable with Hitler-crimes',  
 while NL is free to commit genocide on its own people...and ICC is free to cover up for this.  
 For over 3 years now....**

**People in Afghanistan/Pakistan die for the lies of the EU, UN, Nato.**
