AIHCR- afghanistan

I shall publish this email on www.nlfschool.com

Times are changing.

USA want to send 30.000 more soldiers to Afghan; NATO at least 7.000.

You know I tried to move heaven & hel in order to make politics work with legal constructions to end war.

- **Politics only want to fight, whether the Afghan-people agree or not.**
- **USA & NATO refuse to educate you on the way you can start lawcases with the International CriminalCourt for self-protection.**
- **I am even angry with Dmitri Medvedev because he refuses to set boundaries in his relationships with UN Ban Kimoon and other leaders....for NLFs... instead of the use of weapons in warzone.**
- **China is occupying NL with all kinds of bullshit & blackmail-contract = soon they will work together with the NL-police. Hopefully I can benefit from it too...and talk about my ICC-case against Balkenende ...with a Chinees-police-officer in Bloemendaal!**

Therefore its time for another solution!

I want to build together with you a NewLegalFrame for Kids...& Adults...

- **Afghan-people can pass all the activities of USA & NATO because they have the opportunity to start lawcases for their self-defence with ICC.**
- **Victims of the Afghan-parliament, USA & NATO can collect evidence against people who are guilty of 'crimes against humanity committed by the Afghan-parliament, USA & NATO in case of war'.**
- **Than you must write the correct letters for you ICC-lawcase...add evidence to it...and simply start this lawcase**

I need to know which knowledge Kids & Adults need...in order to build powerful evidence, or to categorize it and to implement it in your letter to ICC.

**I want to help you build your file against ICC.
Experiences of Kids & Adults that prove that they Afghan-parliament may not work as they do today.**

I want to help you make sure that Afghan does write the correct letter to ICC!

Why?

**I already know that USA & NATO plan to make the Afghan-people lawless for the next 3 years.
This is an awfull long time... in which many individuals will be killed.**

As long as USA & NATO only want to focus on 'traineeship for Afghan-police & soldiers' they will ignore all the legal solutions for the simple people.

You need somebody as an anchor for your legal position in NL; given my ICC-case I am the best possible solution for you.

**O, you don't need to worry for my safety anymore.
Moslims know who I am and trust me to establish some Justice for All of Us within ICC.**

I'd like to receive your plans for an ICC-case for the protection of the Afghan-people.
