## Open Brief / Open Letter

to

### - Embassy & Government of Finland -

16 June 2008

**Dear Jokela Mikko & Matti Vanhanen,**

I need your help with the International Criminal Court.

Over the past few months you received important emails concerning 'criminal activities of ICC'. Last week you spoke to Phillip Kirsch, President of ICC in The Hague.

As you know, ICC keeps everything 'confidential': procedures, evidence, victim-care ....  
... and even a lawcase against hostcountry NL....

I prefer to say:

'ICC is a compulsive liar, who has no trouble killing victims at all and lies about it in the Assembly of ICC, EU & UN. I'm a victim myself, about to be 'mobbed to death'.

Unless, you - and other embassies & governments - start to help me on your websites ...and if you can find trustworthy media... even in newspapers or on tv.

What I really need is to know what Finland has done 'to make ICC work from the truth'.

Did mr. Luis Moreno Ocampo & Phillip Kirsch tell you the truth about my ICC case against NL?

Did you ask them:

'Why do you give Desiree Stokkel freedom of speech on her websites, but do you also refuse to provide her with info needed for closure of this case against NL? Why do you refuse to give her victim-care...?

And, why do you cause more danger for terrorism in Europe and the rest of the World, by lying about the fact that NL-parliament has to appear in ICC-courtroom?

Why has the ICC-pre-Chamber-judge not responded - by return mail - to her letter in which the woman asks for informations, related to procedures, evidence, settlement...etc...?'

And...'How can Finland trust ICC, when policies of this highest International Criminal Court on Earth is guilty of misconduct itself'?

Thus: I need embassies & governments you to explain, everything ICC hides from me.

What will happen if ICC continuous her present policies and war-making acts? More wars!

**Its time for an EQ-tsunami in Europe, sweep away some psychopatic-rituals.  
You may take the honours within ICC.**

**I want to get out of that place, now...!**

**Have a straightforward day,**
