Embassy, RepublicNL,

Its time to remove the Persgroep - TMG - Talpa & reporters from Planet Earth.

It are Mafia-organizations.

They knowingly distribute Heavy Crime into the community; they participate in building crime.

They present themselves as a Top-management - that can't be punished- .

They have friends in high places, that support the Murder-games the Management of Persgroep - TMG - Talpa and their rRporters/ VIPS play with human lives.. in FUN-killings.

They select people in the community who must be demolished / murdered for the sake of Persgroep - TNG - Talpa..

In 2015, I started an ICclawcase against the Persgroep:

Since 2015 the Persgroep has re-grouped itself into a Mafia-organogram.

With the approval of the DictatorshipNL - ICC - UN - EU politicians.

(Yes they do sell less newspapers every year, but they do bring Holland into gun-shootings.)

Every cell = compagny ignores all her legal obligations.

All journalists have Freedom to Murder; which they happily exercize.

All compagnies & personnel close 'reporters deals with Courts of Law

Gmail - Persgroep Media + TMG + Talpa = Maffia = InternationalCriminalCourt = cover Organizing Massmurder + Prosecutors offices + Politice + Defence' ...for building DictatorshipNL, in the ICCsystem, worldwide.

All compaignies work together with the InternationalCriminalCourt , for Organzing Murder on Victims who start ICCLawcases or arrange the death of Warzone-victims.

All reporters investigate & communicate in a way 'the persons against an ICCLawcase is started are still Free to Murder'.

It is this type of Criminal Freedom organized by the Media that results in more gun-shootings in NL.

We have more heavy weapons on the street in NL, imported of course.

We have more criminals who know 'how to operate in order to avoid a Police-investigation or arrest'.

We have more heavy - Maffia- crime in DictatorshipNL.

This Maffia-system also runs in Government-organizations:

ICT- Eneergy - Health - Transport - Labourconditions at the workfloor - more..

This means 'that the people are delibrately misguided by reporters to make it possible for compaignies to re-introduce Slavery F/M + more fraud in design of Freedom to Murder.

In Holland, the Elite-mass-murdergroups grow rapidly thanks the Persgroup - TMG - Talpa Maffia; they only care for private wealth, of course.

Bank-boardmembers also participate in this Persgroep + TMG + Talpa - Maffia powergame-.

How can the Maffia-politics be removed from DictatorshipNL?

Only by building RepublicNL = remove the Persgroup + TMG + Talpa.

What happens with DictatorshipNL in EU, when the media is Free to be Maffia?

Holland will collapse; more gun-violence on the street, with even randomly picked victims.

Criminal board-members of compaignies 'who loose controle over their personal participation in Heavy Crime'.

A new Financial crisis = Bank-managers WANT a new financial crisis = they receive rewards for keeping Politicians uit of ICC-prison.

Healthcare in NL is extremely expensive, because the Boardmembers are Politicians who own Freedom to Murder.

Its dangerous to have yourself treated in the Medical World = you are being torted with treatments you don't need.

Education is in the hands of Professors - Schoolboards - Teachers - who participate in building heavy crime,
while they are too stupid ... to protect themselves... against the consequences of their acts.

Business-clubs 'assume that they are funny now they misuse the Criminal Field in the Media',
until we have the next Financial crisis = far more public violence on human bodies.... in
comparison with the 2008 Financial crisis.

BREXIT = extremely expensive hell, also because Holland has No Parliament that works on
realistic Law & Treaties.

The Maffia is already a part of the local Cityhall.

**Mayors - Elderman - Counsellors create media-stories
to prove they are in control, but a part of them = Maffia.**

Or they are too lazy to stop crime.
