International criminal court

Pre-chamber- judge
PO 19519, 2500 CM The Hague in NL
OTP-cr-407/07 Balkenende & co

Pre-chamber-judge,

Hereby you receive my letters to:

- OTP & registrar of ICC = they refuse to respond to my official letters of complaint from februari & march 2008
- HCSS - Rob de Wijk, also part of my letter of 1 may 2007 with which I started this ICC-lawcase against the Netherlands -. He has knowledge & power to stop growing terrorism in the NL-parliament & government, NL-legal system, power to rescue me and to restore the criminal activities of OTP of ICC. When he still 'refuses to help me officially' I have to put him and his colleagues in ICC-prison for terrorism too. And I will. I don't have to have myself tortured & killed because I am a Dutch woman.
- Letter to NoLandmins.UK - an English NGO linked to Paul McCartney - today officially informed about my ICC-case. Previous months 'communication was restricted to email'. NL, UN, EU & ICC-corruption can cause the death of fieldworkers of NoLandmines.UK. They remove bombs while the European-organisations that should protect them, are war-lords themselves, creating more terrorism & bombs.
- Also added an newspaper-article in which is outlined that Paul McCartney has invested 1.5 million pounds or euro for security in Israel. The fool he only needed to invest about 10.000 euro in me, so I survive my ICC-case and terrorists learn to trust Int..courts of Laws.

What are you doing?

According to the NL Lawbook for Criminal Proceedings, the registrar of the judge who receives a complaint about a criminal President of a court of law or Prosecutor in a specific file - has the legal obligation to send the party who does complain a letter of receipt and to start a hearing before writing a verdict about the complaints itself.

You don't respond at all, while you know 'terrorists read my websites'.

You get paid to be a judge, so work like a judge!

Wetboek van Strafvordering:

Artikel 12a

De griffier van het gerechtshof, dat het klaagschrift heeft ontvangen, geeft de klager schriftelijk bericht van de ontvangst.

Artikel 12d

Het gerechtshof beslist niet alvorens de klager te hebben gehoord, althans behoorlijk te hebben opgeroepen, behoudens in de geval bedoeld in art. 12 b + 12c.

Today, I can't tell if you have received all my letters of complaint about President Phillip Kirsch & Prosecutor mr Luis Moreno Ocampo - or letters of UN & nations' presidents which prove the UN is highly corrupt and closes dirty-deals with OTP of ICC'.

I need your letter of receipt and a hearing plus a verdict to stop the criminal activities of OTP of ICC and its President.

Desiree Stokkel.
