**Sec.gov Board of Directors, SpaceX ElonMusk, InternationalCriminalCourt,**

**FBI, UNSG Guterres, PD@UN.org, IMF, Embassy, FIOD, Media,**

**Sec.gov,**

**Did the FBI director Christoffer Wray inform you Legally Correct about him personal corruption and warcrimes - conducted in the Netherlands-?**

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/fiidwarningfbispacexicclegalobligationssept2018.pdf>

**Do you know** that I started an InternationalCriminalCourt lawcase against president DonaldTrump, for the fact that he misuses ICC to assist NL-king with building dictatorshipNL..... to keep himself above the law as Dictator?

**Are you aware** of the fact that this whole - Whitehouse - FBI - DictatorshipNL criminal lobby.... is being approved of by UNSG AntonioGuterres?

I force UNSG to operate legally correct, but while I do...  
I expose his private mass-murder system

**My advice to Sec-gov:**

**Start an official public investigation against**

**FBI Christoffer Wray +**

**President Donald Trump +**

**UNSG AntonioGuterres +**

**USA Ambassador PeterHoekstra in NL.**

**They make money out of warcrimes.**

**If you don't, all Sec-gov Courtcases can be overruled easily by 'other criminals'.**
