Final warning: Spacex close-down & bankruptcy due to ElonMusk – warcrime participation.

FIOD, ICC President, Dictator MarkRutte, Presidents & Embassadeurs, UNPD & UNcareer, Nato,

Spacex, ElonMusk,

You don't take your legal responsibility in warzone seriously enough; you are playing internet-games with Me – ICCLawcaseNL – USA – UNSG - UN corruption.... Space-war. And, you didn't upgrade your Business-contracts for Legally Correct Work in warzone. Spacex can & must anticipate on the outbreak of war in Buisness-contracts. You didn't even make clear in the media 'that you don't want to participate in war – or, in the building of a Space-war'.

Last Warning:

When you refuse to respond to the ICC-UN-letters I sent you, I will start an ICC-lawcase against you for:

- Participating in warcrimes, conducted by UN-nations Presidents / Head of State - Embassadors – Businesspersons / Compagnies.
- Building a Space-war, on request of warcriminals against whom runs an InternationalCriminalCourt-lawcase.
- Refusing to conduct the UNcharter -Torture treaty – Humanrights treaties = refusing to stop the corruption in the InternationalCourt of Justice & InternationalCriminalCourt-systems in Civilwar Kingdom the Netherlands, TheHague; in the UnitedNations.
- To trigger ICT-accidents on Earth, which occur when Satellites in Space are being attacked by UN-memberstates = ICT falls silent on Earth or ICT bursts into flames on Earth. In both audits the HumanBody get injured. Economies fall into crisis.

Spacex Satellite launch:

On 7oct2018 Spacex launched a Satellite for Argentina, succesfully. This is prove that Spacex particpates in warcrimes, designed & conducted by Argentina President Mauricio Macri; against whom an ICCLawcaseNL – AR – UN is started, for the fact that he misuses the NL-UN-ICC-ICJ for his private corruption in Dictatorship KingdomNL.

<http://www.desireestokkel-nl.net/uploads/5/6/2/4/56243847/icc.lawcase.against.eu.un.embassadors.presidents.mayors.10july2017.pdf>

Queen Maxima in NL is from Argentina. She & King Willem-Alexander keep Dictatorship NL alive for personal Greed & Materialism. Earth knows that they are Fans of the IT-Maffia in Palermo, which causes street violence ... and more... The Maffia respects Me... for still being honest and trying to stop the ICC-UNNL- ICJ- corruption, to the disadvantage of Politicians – Judges – others, who put Maffia-members in prison. **Conclusion:** Queen Maxima is prepared to have her own children being killed in street violence, for her private materialism & snobism.

This Queen Monster drinks tea with the ICJ – & ICC personnel. ICC personnel all operates like an out of control street gang. ICJ was a reasonably sound court of UN-law, in 2007...but its **now falling** into Dictatorship Kingdom NL. **Who is ICC friend, Who is ICC enemy?**

Queen Maxima & King WA are not trustworthy persons in NL–UN–Argentina–SpaceX- lobby.

The President of Argentina is publicly a war criminal... and is 'Stupid man' who brings Argentina into a war / Space-war which will cause many economical disasters / casualties. These victims **can not** start an International Argentina-lawcase against their President, due to UNSG Guterres corruption in UN-ICC-ICJ-AR lobby; **can not** make other UN member states start an ICJ-lawcase against Argentina t'o claim that Argentina operates as a Fair UN-member state is suppose to do'. Victims **can not** put in a Damage-claim caused by a Space-war. **SpaceX supports this type of Evil, with launching Satellites for war criminals in AR.**

According to the UN charter, the whole Dictatorship Kingdom NL civil war may not exist on Earth; all UN member states are happy to keep Holland in Civil war, so they are free to build a Space-war up in Space.

According to the Torture-treaty, you – SpaceX, Elon Musk – own the individual Legal responsibility to cut away all connections between SpaceX & all her Personnel + Persons against whom an ICC lawcase is started. This Legal obligation includes the protection of the People on Earth. You **own** the Legal obligation to inform the People about the fact that SpaceX refuses to do business with war criminal, from all UN member states.

SpaceX – Elon Musk – refuses to make clear to the People on Earth, that UN-member states can not use SpaceX for Designing & Building of a Space-war in Space.

I have put into power by degree via the 100% corrupt UNSG Antonio Guterres & FBI Washington, the Anti-Fire-Treaty, which obliges People to Add an Anti-War-Clause to all Business contracts for the safekeep of the Human body – Earth – Space; for the Evolution of Social Intelligence in Justice, for Love for All of Us. <https://www.mequhi.com>

Conclusion:

Its Legally forbidden for SpaceX to launch Satellites or Space-products, which are under supervision of war criminals against whom is started, an ICC-lawcase. SpaceX- Elon Musk – ignores this obligation... or at least... operates far too slow... on the Legal Evidence given to him by Me – FBI. SpaceX – Elon Musk – can not be trusted with the launch of a Satellite, now 'one may assume that SpaceX sabotages these Satellites in warzone... for anybody who pays SpaceX ... for maintaining war crimes'. **Who is a SpaceX's Friends, Who is SpaceX's Enemy?**

Be ware! In warzone – in panic – each Individual always takes sides for Himself or Herself. Meaning: you can't trust Anybody at all. You can only trust the Legal Framework you compose and put into practise as a Group for Peace, publicly. Individual Criminals are like sheep = when a leader starts to operate Legally correct, the worst violent heavy Criminal sheep... calculates Reproduction-rights and follows the leader. Politicians do Anything... to keep themselves out of prison, even turning into lambs... if their leader makes them to perform a Legally correct thinking- & behavioral-pattern. At least... in the media. Behind closed doors they continue to build war in the ICC-UN-ICJ corruption.

Thats Why SpaceX must demand & compose an anti-War-system, publicly!

YusaKuMaezawa, Japan

In current political climate Moonflight2023 **can not** take place. Its forbidden for you personally to co-work with SpaceX – ElonMusk – as long as he supports warcriminals against whom is started, an ICC-UN-lawcase.

Besides.... The Japan – NorthKorea – SouthKorea – China – USA peace = FAKE.

Against all their Presidents / Heads of State – some Embassadors runs an ICClawcaseNL-UN. The USA-NK peace-deal is nothing more than a Theaterplay. UNmemberstates keep KingdomNL a Dictatorship and keep ICC-UN a 100% violent system, with the aim to turn Holland into a Basecamp for a Space-war. As long as NL-ICC-ICJ-UN is a Dictatorship... politicians of a UNmemberstate **can not** be punished for warcrimes on Earth or in Space. UNmemberstates know that I have outsmarted them... and that I still am in controle of the Cleanup of Holland. They Love to fight with Me = they don't care for the People on Earth at all. They don't care if Mankind will Extinct within 140 years. **I am a warvictim under death-threats** by NL-Politicians-Judges-Police-Defence. UNmemberstates laugh warvictims in the face, online.

But I care... for the Children on Earth. Kids are the only reason for Me, to stay alive.

When does this Space-war-makery stop?

When the ICClawcaseNL-UN is closed with a Settlement & Payment for the Damage, in my name. All UNmemberstates must prove that they regret 'Starting war with the ICC-UN-NL system as Murderweapon in their hands and as cover for their warcrimes'. As soon as ICC-UN-NL is cleaned up, **the Individual Civilian can protect** Himself or Herself against a Space-war with claiming International Court of Justice courtcases UNrights. **Space-war-makery ENDS when governments / organisations are made bankrupt with Damage-claims.**

It will take at least 5 years before Moonflight2023 can take place. When ICC-UN-JP war corruption still rules Earth-Space, the Satellites that make sure Moonflight2023 will be succesful **can fall still, or so...** 5 years Space-time = mayor inventions of Space-products on Earth. During these 5 years... many Space-products will be designed for Evil-practises in the ICC-UN-warmakery. **Only when a public Legal Framework savekeeps the use of Satellites in Space, the ICT is secured on Earth... and Moonflight2023 can take place.**

Cityhall Hawthorne

I will close SpaceX in january2019, if I am being manipulated into this situation by ElonMusk. Of course, SpaceX can stay open, when ElonMusk is being removed from SpaceX, and the new CEO cleans up ICC-UN-NL-USA warmakery and works with **anti-War-business contracts** + Me. USA Embassador in NL, PeterHoekstra = mentally ill + 100% corrupt. Don't trust him!

Final private word for Elon: You know that I am in 1 of your Visions for Love. You'll only survive when you mix our Visions realtime 24/7; not when its convenient for you to give another Humanbeing some Space too. **Space-malaria-mosquito policy is Old-Fashion. SpaceX – ElonMusk – anti-War Solution?** You give Me an official ICC-UN-Letter Loan of 5 million Euro + publish my SpaceX-Businesscard on SpaceX-website = Earth will know that you co-work with Me for the Cleanup ICC-UN-NL-USA-warzone + Demand fair Court of Law-procedures inside ICJ & ICC, for the SimplePeople and their Politicians-Lawyers. **Space-war-makery causes SpaceX to go bankrupt too...due to USA Damageclaims against SpaceX in Space-war. Are you clear now? I Love your stamcells...**

**Met Vriendelijke groet,
DésiréeElisabethStokkel**
