Urmassoorumaa, Kapo,

Transport, Banks.... and Soorumaa - Kapo - Security?
And you are connected to the highly corrupt Freedomhouse?

Estonia President of Assembly ICC Tina Intellmann is doing what for Estonia?
On the HCSS-lobby-plattform?

I know.... building a new headquarters for Heavy Criminals...
the onces who breaks down Brinks in NL.

Brinks is larger than USS....

I don't care if you end your life in poverty.
But I don't want the breakdown of economies, science or civilizations.

Message for Kapo, President,

<http://www.nlfschool.com/Werkboek-Workbook.html>

The old-boys-network of Estonia... causes the removal of Estonia,
via to ICC-corruption.

When Urmas doesn't take my side.... he proves to enjoy to torture & kill a NL-woman,
for the growth of his FAE-security-business. Me. Known worldwide, in the Islamic world.

Can somebody explain to me:
'Why Men enjoy to destroy Women, for the survival of Men?'
Men run into the traps they dig for Women.

How stupid can one get! ?
