### Urmas Soorumaa,

This email will be published on [www.nlfschool.com](http://www.nlfschool.com) / workbook

### I have warned you...:

**'When you don't relate to me in a more human way I need to break you  
and your business down for reasons of security'.**

**I don't know what has got into you!  
Why do you behave so stubborn and childish?**

### In 2007, I contacted you for various reasons:

I already knew that the International Criminal Court in The Hague was a Lobby- &  
Assasination-centre,  
where many individuals are being tortured and manipulated into death by ICC-employees.  
On request of EU- & UN-politicians.

I am one of these victims; I need your mentality & experiences to survive and to turn ICC  
into a fair court of law.

Since **7oct2010** I can prove that ICC refuses to investigate & prosecute professionally on  
EU-files,

against EU-leaders & EU-courtsystems.

The Pre-chamber-judge has ignored my letter of Objection against the decision of the  
Prosecutor, **15oct2010**.

The President of ICC also ignores all complaints about the criminal methods of working  
of prosecutor mr Luis Moreno Ocampo. **2 december2010**.

ICC-employees - registrars & judges, included - are warcriminals themselves, what is  
common knowledge in Africa.

All the evidence is on [www.desireestokkel.nl](http://www.desireestokkel.nl)

But, **UN** is partial to ICC...and prefers to start one new war after the other....  
This month, Kenya and Ivory-coast are furious!  
And they have every right to be angry at ICC!

**UK** is now leaving Afghanistan, because UK-soldiers have put David Cameron under a lot of pression.  
They are informed about the way ICC causes terrorism/war!  
**Germany** is more scantimonious. Angela Merkel is out of controle.

**Obama** doesn't know what he wants.  
He donates 9 billion to Pakistan for infrastructure.  
1 year later he attacks Pakistani-infrastructure with drones, for a few more death Taliban.

Taliban knows who I am. So do Yemen-terrorist. Sauri-Arabia...is the Residence of the Obama-family.

ICC has now started their 'assasination-program on the high-speed-frequency'.  
The more Africa is furious about the methods, the more African-countries will be brought to ICC-prison.  
To cover up for the torture & murder on EU-individuals who are 100% lawless in EU.

And this is not all!

**Kremlin** plays dirty games with ICC.  
Medvedev knows very well that ICC-employees are warcriminals themselves.  
This is why he brought the Russian file against Georgia to ICC.  
There will be NO Justice between Russia - Georgia, because ICC can't judge fairly.  
Medvedev walks free, whatever ICC will judge...thanks to keeping ICC a Lobby- & Assasianation-centre.  
This will increase the EU-war in the future.  
Food-shortage...and too much corruption within the EU. Growing indifference & genocide by bureaucracy.

I wanted ICC to become a fair court-system in 2007, to prevent the above-mentioned to take place.  
Its too late now!  
Africans will NO LONGER have themselves put in ICC-prison while EU & UN organize this.

Why you?

You are a businessman building Estonia, in the world of security & economics.  
You still have/had the social-behavior NL-businesspersons fail.  
You understand Russia.

Over the past years I have asked you many times to help me out;  
help me build [www.nlfschool.com](http://www.nlfschool.com) in order to anticipate on the coming hel for Young adults.

The only thing you have done is read my websites....and observe me.

**The final result is that you have made yourself guilty of crimes against humanity yourself.  
You observe me being tortured & murdered.  
And you bring - by doing so - terrorism/war to Estonia...Latvia... or wherever you work.**

**Besides, you've got a BIG attitude-problem.**

**You are annoyed with the Estonian-business-climate,  
while in fact you are the one who's making the problems.**

**Apparently is the only thing you are interested in:**

20 million Euro profit per year.  
1000 paintings in your Gallery.  
Your name on the Estonian-Latvian-buildings.

**The fact that you break down EU-human beings....and want them to become lawless...has to be ignored.**

**You are not any better than any other politicians who wants to be above the law... and be free to kill whoever is on the way.**

**And this is exactly what you will get!  
More poverty & murder in EU.**

**You present yourself as a more fair business-men, but you are not!**

## **How do you think I feel?**

For over 3 years I have tried to rescue my own life...and the lives of millions of people inherent to ICC, EU & UN.  
And the only persons I meet are sadists, white-collar-criminals, murderers...and war-makers.

## **You have destroyed the future of your own kids, with your attitude.**

I asked you to help me build a better future for Kids.  
All you do is teach kids 'genocide by bureaucracy'.

**You also teach terrorists to win from corruption in EU & UN, with violence....**
