Urmassoorumaa,

Last email....

Years ago I emailed the Estonian courtssystem.

I think that you will lose many lawcases when you want ICC to stay a Hitlercourt.

I have noticed in UK - for example - that UK court makes life more difficult for Wikileaks.
I don't care: Assange is a big liar.

And I want your help with BradleyManning.

Have your adult kids send him tourist cards.

Letters must be written very plain, simple... free of pictures, grafics...
Max 6 pages, typed in readable lettertype.
You may not expext anything from it.

Commander, HHC USAG
Attn: PFC Bradley Manning
239 Sheridan Ave, Bldg 417
JBM-HH, VA 22211

I don't want to stop your business Urmas, I really don't...
